

Colonial Heights City Council Meeting Agenda Item Executive Summary

ITEM: A RESOLUTION NO. 12-69 Approving the construction plans recommended by the City Manager for the Dupuy Avenue Modernization Project.

DEPARTMENT: City Engineer/Public Works

PROPOSED ACTION:

Review and approval of revised construction plans for the Dupuy Avenue Modernization Project (as may or may not be amended by Council).

BACKGROUND:

Discussed at previous meetings; The Dupuy Avenue Modernization Project is a major transportation enhancement planned for the City's most prominent western traffic corridor. Project features include the construction of an additional (3rd) traffic lane, sidewalks, lighting, landscaping, and curbs – all designed to provide enhanced safety and mobility.

Council has given preliminary approval to this project on previous occasions and conducted an advance review of the plans that were presented at the public forum this past July. Funding for this project (currently estimated at approximately \$4M) will come almost entirely from regional, state, and federal sources – and will have virtually no cost impact on city taxpayers.

After the Council's review of the preliminary project plans earlier this year, the staff engaged the general public (and particularly neighboring property owners) to educate them on the project and consider any input they might have regarding same. The staff considered all such input and has successfully addressed nearly all such comments, requests, or suggestions.

The staff is now ready to present its revised project plans to the Council for its review and approval. After which, the staff will be conducting the required Public Hearing on the project plans as approved by Council (currently anticipated for early February).

BUDGET/FINANCIAL IMPACT:

Funding for this item was { } included { } not included in the current-year budget {X} N/A

RECOMMENDATION:

Staff is recommending Council adoption of Resolution No. 12-69 and formal approval the plans as presented by staff - with or without amendment – for the Dupuy Avenue Modernization Project.
