Dear Fire Marshal Boisseau:

Congratulations. Your grant application for an FM Global fire prevention grant stood out among the hundreds we received, and we will be funding \$1998 to purchase a tablet. We hope the additional funding will help to strengthen your efforts to ultimately, and more effectively prevent fire—the leading cause of property destruction worldwide.

Award checks and plaques will be mailed in January to your attention at the address above. Please feel free to use the attached news release that we've prepared for you to promote news media interest.

During the past 40 years, FM Global has awarded millions of dollars in funding to fire departments and related agencies worldwide. With a shared philosophy that the majority of property loss is preventable—not inevitable—we can make a difference in preventing the frequency and severity of fire...together.

Once again, congratulations on your recent fire prevention grant awarded by FM Global, one of the world's largest commercial property insurers.

If you have any questions regarding your award, please feel welcome to e-mail me.

Best wishes for continued success in your fire prevention endeavors.
