**PROPOSED ACTION:** This item is for first reading of requested budgetary changes.

**BACKGROUND:** The regional swift water rescue team was recently awarded a State Homeland Security Grant for the purchase of rescue equipment in the amount of \$76,000. The City has agreed to act as fiduciary agent for this purchase and will purchase the equipment for regional distribution.

The City has had a long-standing agreement with the Crater District Area on Aging for the operation of the Senior Transportation Program. The City's Community Center staff operate this service, and the CDAA participates with the City in the purchase and operating costs of the 15-passenger van. Donations from the program are split between the entities, and the City's share of the donations is reserved for the City's share (20%) of van purchase costs. The CDAA is purchasing a new van, and the City's share of the purchase cost is \$12,600.
