HURRICANE SANDY

The City of Colonial Heights is closely monitoring Hurricane Sandy. The City will be opening our Emergency Operation Center Sunday morning, October 28, 2012, at 8:00 AM. This will allow the city to monitor the storm as it approaches and have city services on standby ready to be deployed. If you should have an emergency, please call 911. If it is a non-emergency such as high water on the street, tree down in the yard, or damage to your home without injuries, please call the non-emergency number 804-520-9300. You can contact Dominion Virginia Power 1-866-366-4357 to report power outages. The City will open the emergency shelter at the Colonial Heights Middle School, 500 Conduit Rd, at 10:00 AM on October 28, 2012. This shelter is for those displaced or needing protection from the storm. You are encouraged to bring a few changes of clothes, personal hygiene items, prescription medications, medical equipment, books, small entertainment items, and a pillow and blanket. Items such as TV, game systems, or large personal items will not be allowed. Pets will not be allowed in the shelter. You should take precautions at this time to house your pets, and to secure your property.

For up-to date information and additional instructions from the City of Colonial Heights during the storm, please visit www.colonialheightsva.gov follow the Emergency Management facebook on www.facebook.com/colonialheightsfireems on Twitter www.twitter.com/colhtsemergmgmt and stay tuned to local radio and television stations.
