Colonial Heights to Host 3 Comprehensive Plan Open House Workshops

During the month of March, the City of Colonial Heights will host three open house workshops for residents to learn about and contribute to the comprehensive plan update process that is currently underway. Each open house will take place from 6:00 to 8:30 p.m. A brief presentation will be given at 6:00, but residents will be able to come and go at any time to view the displays and talk to City staff.

- March 19 at Lakeview Elementary School (401 Taswell Avenue)
- March 25 at the Library (1000 Yacht Basin Drive)
- March 26 at the Community/Senior Center (157 Roanoke Avenue)

“The comprehensive plan is a blueprint for improving Colonial Heights in the future. It examines topics such as land use, economic development, and community services, identifies goals for improvement, and lists action items that can be completed to achieve the goals.” said Director of Planning George Schanzenbacher.

“The open house will offer the public opportunity to view or make comments on the Draft Colonial Heights Comprehensive Plan,” said City Manager Tom Mattis. “Because the comprehensive plan is a document by and for Colonial Heights citizens, local input is crucial.”

The draft of the Comprehensive Plan is located on the City’s Webpage (www.colonialheightsva.gov/planning). Hardcopies are available for review at the Library, the Senior Center and the City Hall Welcome Desk.
