(b) As used in this Contract, the term “Contractor” shall mean:

2. Provision of Services.

(a) The Contractor hereby agrees to provide the following services to the City:

(b) The time, manner and place for performance of such services shall be:

3. Time and Essence.

Time shall be of the essence in this Contract, except where it is herein specifically provided to the contrary.

4. City Obligations.

(a) In return for the services identified above, the City shall pay the Contractor the following amounts:

(b) In addition to any provision of Paragraph 5 hereof, the Contractor agrees to grant the City a two percent (2%) discount for all invoices, provided that the City pays any invoice or other billing within ten (10) working days of receipt thereof.

5. Termination for Convenience of the City.

(a) The parties agree that the City may terminate this Contract, or any work or delivery required hereunder, from time to time either in whole or in part, whenever the City Manager or the Purchasing Agent of Colonial Heights determines that such termination is in the best interest of the City.

(b) Termination, in whole or in part, shall be effected by delivery of a Notice of Termination signed by the City Manager or the Purchasing Agent, mailed or delivered to the Contractor and specifically setting forth the effective date of termination.

(c) Upon receipt of such Notice, the Contractor shall:

(i) cease any further deliveries or work due under this Contract, on the date, and to the extent, which may be specified in the Notice;

(ii) place no further orders with any subcontractors except as may be necessary to perform that portion of this Contract not subject to the Notice;

(iii) terminate all subcontracts except those made with respect to contract performance not subject to the Notice;

(iv) settle all outstanding liabilities and claims which may arise out of such termination, with the ratification of the City Purchasing Agent; and

(v) use its best efforts to mitigate any damages which may be sustained by him as a consequence of termination under this clause.

(d) After complying with the provisions of subparagraph (c), above, the Contractor shall submit a termination claim, in no event later than six months after the effective date of their termination, unless one or more extensions of three months each are granted by the Purchasing Agent.

(e) The Purchasing Agent, with the approval of the City's signatory to this Contract, shall pay from the using department's budget reasonable costs of termination, including a reasonable amount for profit on supplies or services delivered or completed. In no event shall this amount be greater than the original contract price, reduced by any payments made prior to Notice of Termination, and further reduced by the price of the supplies not delivered, or the service not provided. This Contract shall be amended accordingly, and the Contractor shall be paid the agreed amount.

(f) In the event that the parties cannot agree on the whole amount to be paid to the Contractor by reason of termination under this clause, the Purchasing Agent shall pay to the Contractor the amounts determined as follows, without duplicating any amounts which may have already been paid under the preceding paragraph of this clause:

(i) with respect to all Contract performance prior to the effective date of Notice of Termination, the total of:

(A) cost of work performed or supplies delivered;

(B) the cost of settling and paying any reasonable claims as provided in paragraph 6 (c) (iv), above;

(C) a sum as profit on (A) determined by the Purchasing Agent to be fair and reasonable.

(ii) the total sum to be paid under (i) above shall not exceed the contract price, as reduced by the amount of payments otherwise made, and as further reduced by the contract price of work or supplies not terminated.

(g) In the event that the Contractor is not satisfied with any payments which the Purchasing Agent shall determine to be due under this clause, the Contractor may appeal any claim to the City Council in accordance with Paragraph 15 of this contract concerning Disputes.

(h) The Contractor shall include similar provisions in any subcontract, and shall specifically include a requirement that subcontractors make all reasonable efforts to mitigate damages which may be suffered. Failure to include such provision shall bar the Contractor from any recovery from the City whatsoever of loss or damage sustained by a subcontractor as a consequence of termination for convenience.

6. Termination for Default

Either party may terminate this Contract, without further obligation, for the default of the other party or its agents or employees with respect to any agreement or provision contained herein.

7. Examination of Records.

(a) The Contractor agrees that the City, or any duly authorized representative, shall, until the expiration of three (3) years after final payment hereunder, have access to and the right to examine and copy any directly pertinent books, documents, papers and records of the Contractor involving transactions related to this Contract.

(b) The Contractor further agrees to include in any subcontract for more than \$10,000 entered into as a result of this Contract, a provision to the effect that the subcontractor agrees that the City or any duly authorized representative shall,

until the expiration of three (3) years after final payment under the subcontract, have access to and the right to examine and copy any pertinent books, documents, papers and records of such Contractor involved in transactions related to such subcontract, or this Contract. The term subcontract as used herein shall exclude subcontracts or purchase orders for public utility services at rates established for uniform applicability to the general public.

(c) The period of access provided in subparagraphs (a) and (b) above for records, books, documents and papers which may relate to any arbitration, litigation, or the settlement of claims arising out of the performance of this contract or any subcontract shall continue until any appeals, arbitration, litigation, or claims shall have been finally disposed of.

8. Termination for Non-Appropriation of Funds.

(a) If funds are not appropriated for any succeeding fiscal year subsequent to the one in which this Contract is entered into, for the purposes of this Contract, then the City may terminate this Contract upon thirty (30) days prior written notice to the Contractor. Should termination be accomplished in accordance with this Section, the City shall be liable only for payments due through the date of termination.

(b) The City agrees that should it terminate in accordance with this Section, it shall not obtain services which are substantially equal to or similar to those for which this Contract was entered into. This provision shall survive any termination of the Contract.

9. Insurance.

The Contractor shall maintain insurance, in an amount and a form set forth herein, to insure against the risks which are identified herein. The insurance required hereby shall be: **pursuant to attached certificate of insurance**. The Contractor shall provide a Certificate of Insurance, naming the City as additionally insured.

10. Assignability of Contract.

Neither this Contract, nor any part hereof, may be assigned by the Contractor to any other party without the express written permission of the City Manager.

11. Modifications or Changes to this Contract.

(a) Change Orders. The Purchasing Agent, with the concurrence of the City's signatory to this Contract, shall without notice to any sureties, have the authority to order changes in this Contract which affect the cost or time of performance. Such changes shall be ordered in writing specifically as a change order. Such orders shall be limited to reasonable changes in the services to be performed or the time of performance; provided that no Contractor shall be excused from performance under the then changed Contract by failure to agree to such changes, and it is the express purpose of this provision to permit unilateral changes in the Contract subject to the conditions and limitations herein.

(b) The Contractor need not perform any work described in any change order unless it has received a certification from the City that there are funds budgeted and appropriated sufficient to cover the cost of such changes.

(c) The Contractor shall make a demand for payment for changed work within thirty (30) days of receipt of a change order, unless such time period is extended in writing, or unless the Purchasing Agent required submission of a cost proposal prior to the initiation of any changed work or supplies. Later notification shall not bar the honoring of such claim or demand unless the City is prejudiced by such delay.

(d) No claim for changes ordered hereunder shall be considered if made after final payment in accordance with the Contract.

12. Warranties:

13. Additional Bond Security.

If any surety upon any bond furnished in connection with this Contract becomes unacceptable to the City, the Contractor shall promptly furnish such additional security as may be required from time to time to protect the interest of the

City and a person supplying labor and materials in the prosecution of work contemplated by this Contract.

14. Disputes.

Contractual claims, whether for money or other relief, shall be submitted in writing no later than 60 days after final payment to the Contractor. However, written notice of the Contractor's intention to file a claim shall be given at the time of the occurrence or the beginning of the work upon which the claim will be based. Contractual claims shall be addressed to the Purchasing Agent and shall clearly designate the correspondence as a contractual claim, the contract to which it is referring, and the basis for the claim. The City Manager or his designee shall respond in writing to the Contractor with his final decision within 90 days of the claim's submission. The written decision of the City Manager or his designee shall be final and conclusive unless the Contractor appeals within six months of the date of the decision by instituting legal action as specified in §2.2-4364 of the Code of Virginia.

15. Nondiscrimination.

During the performance of this contract, the Contractor agrees as follows:

(a) The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex or national origin, except where religion, sex or national origin is a bona fide occupational qualification reasonably necessary to the normal operation of the Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

(b) Contractor shall state in all solicitations or advertisements for employees placed by or on behalf of the Contractor that the Contractor is an equal opportunity employer.

(c) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient compliance with this provision. Contractor shall include the provisions of the foregoing subparagraphs (a), (b), and (c) in every subcontract or purchase order of over \$10,000 so that the provisions will be binding upon each subcontractor or vendor.

16. Drug Free Workplace.

During the performance of this contract, the Contractor agrees to (i) provide a drug-free workplace for the Contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession or use of a controlled substance or marijuana is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements placed by or on behalf of the Contractor that the Contractor maintains a drug-free workplace; and (iv) include the provisions of the above clauses in every contract or purchase order over \$10,000, so that the provisions will be binding upon each subcontractor or vendor. "Drug-free workplace" means a site for the performance of work done in connection with this contract and at which employees are subject to the prohibitions in (ii) above.

17. Interest.

Unless otherwise provided under the terms of this contract, interest shall accrue at the rate of one percent per month on all amounts the City owes to the Contractor.

18. Payments to Subcontractors.

The Contractor agrees to take one of the following actions within seven days after receipt of payment from the City for work performed by a subcontractor under the Contract:

a. Pay the subcontractor the proportionate share of the total payment received from the City attributable to the work performed by the subcontractor under the Contract; or

b. Notify the City and the subcontractor, in writing, of his intention to withhold all or a part of the payment with the reasons for nonpayment.

c. The Contractor agrees to pay interest to the subcontractor on all amounts owed by the Contractor that remain unpaid after seven days following receipt by the Contractor of payment from the City for work performed by the subcontractor under the Contract, except for amounts withheld under subsection 1(b).

d. The Contractor agrees to include language in its subcontracts and with lower-tier subcontractors which states that unless otherwise provided under the terms of the Contract, interest shall accrue at the rate of one percent per month.

19. Social Security or Employer Identification Number.

Prior to any payment being made by the City under the Contract, the Contractor shall provide the City his or her social security number (if an individual) or the federal employer identification number (if a proprietorship, partnership or corporation).

20. Payment and Performance Bonds (Construction Contracts Only).

The City shall have the right to require the Contractor to furnish bonds covering faithful performance of the Contract and payment of obligations arising thereunder as stipulated in bidding requirements or specifically required in the Contract Documents on the date of execution of the Contract. The Contractor shall provide a Performance Bond and a Payment Bond (AIA Document A312) each for one hundred percent (100%) of the Contract including all adjustments as authorized by change order. Bond premiums for the initial Contract shall be paid by the Contractor. Any subsequent bond premium costs shall be as authorized by change order.

Upon the request of any person or entity appearing to be a potential beneficiary of bonds covering payment of obligations arising under the contract, the Contractor shall promptly furnish a copy of the bonds or shall permit a copy to be made.

21. Worker's Compensation (Construction Contracts Only).

No Contractor shall perform any work on a construction contract unless he (i) has obtained, and continues to maintain for the duration of the work, worker's compensation coverage required pursuant to Chapter 8 (§65.2-800 et seq.) of Title 65.2 of the Code of Virginia and (ii) provides prior to the award of contract, on a form furnished by the City, evidence of such coverage.

22. Additional Terms and Conditions.

23. Integration Clause.

This Contract shall constitute the whole agreement between the parties. There are no promises, terms, conditions, or obligations other than those contained herein, and this contract shall supersede all previous communications, representations, or agreements, written or verbal, between the parties hereto.

24. Legal Status

All individuals performing work pursuant to this contract must be U.S. citizens or possess documents that allow them to be employed and work in the United States.

25. Faith-Based Provisions.

The City does not discriminate against faith-based organizations. For the purpose of this section, "faith-based organization" means a religious organization that is or applies to be a Contractor to provide goods and services for programs funded by the block grant provided pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193.

26. City Ownership of Contract Product.

Drawings, specifications and other documents, including those in electronic form, prepared by the Contractor are Instruments of Service. The Contractor shall be deemed the author and owner of the instruments until such time as payment is made therefor, at which time the City shall become the owner of the Instruments of Service. The Owner, upon completion or termination of this Contract, shall have full and exclusive rights to use the Instruments of Service in any manner not inconsistent with state law. The Contractor shall not use the Instruments of Service on any other work or release information about the Instruments of Service without the express written consent of the City.
