Addendum #2

Invitation # 22-121502-1132

This addendum is issued to **replace sheet 6(1) (Attachment 1) to show new routing for traffic loops through existing conduit.** This addendum also reflects quantity changes for the following existing line items and addition of the following new line items:

Updated Quantities

Line Item No.	Item ID No.	Spec. No.	Item Description	Quantity	Updated Quantity	Unit(s)
36	51615	700	14/1 Enclosed Conductor Cable	516	450	LF
37	51913	703	Loop Saw Cut 5/8"	505	55	LS
38	56022	700	1" Metal Conduit	11	9	LS

New Line Items

Line Item No.	Item ID No.	Spec. No.	Item Description	Quantity	Unit(s)
41	51912	703	Loop Saw Cut 3/8"	300	LF
42	00084	ATTD	Quality Control Testing	1	LS

**A new Revised Schedule of Values is attached, which takes into consideration the above changes.**

Please acknowledge receipt of this addendum by signing below, and returning with your bid.
