

MISSION

The Mission of Crater District Area Agency on Aging is to provide regional leadership and supportive services to enhance the lives of older adults, adults with disabilities, and caregivers in the community we serve.

VISION

The Crater District Area Agency on Aging will lead the regional efforts to ensure that older adults, adults with disabilities, and caregivers achieve their highest quality of life. The key components of the agency's Vision of future success are:

- *Leader in Aging Services – CDAAA will become well-known throughout the service area and Commonwealth.*
- *Increase Funding – CDAAA will undertake significant fundraising efforts to provide the agency with unrestricted funds, and to become less dependent on government funds.*
- *New Facility – CDAAA can be more productive and better serve the community by operating in a new or significantly upgraded facility.*
- *Board & Staff Development – CDAAA will increase the size of the Board and to operational capacity over the long-term.*
- *Community Engagement – CDAAA's Board and leadership will work with local leaders to ensure that individual programs and services meet the specific needs of each locality.*

TRANSPORTATION SERVICES

CDAAA has an excellent fleet of clean and spacious vehicles, which combined with our professional staff of drivers will provide transportation for those senior citizens who participate at the senior sites and other community activities.

Transportation to medical appointments can also be provided by our Transportation Department. This is a fee for service based on your income level. Please call (804) 732-7020 to see if you are eligible for these services.

WEATHERIZATION SERVICES

RESIDENTIAL REPAIR & RENOVATION

Minor repairs can be made to the homes of our senior citizens that are essential to the health and safety of the older occupants.

Funds may be used to assist with the following repairs; electrical, plumbing, accessibility modifications, security modifications, yard work and home maintenance essential to maintaining the health and safety of the older person.

FAN CARE

The Fan Care Program is a public-private partnership sponsored by Dominion Virginia Power and administrated by the Virginia Department of Aging & Rehabilitative Services that helps low-income senior citizens in Virginia keep cool during the summer months.

WEATHERIZATION SERVICES

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM (LIHEAP)

The Low Income Home Energy Assistance Program distributes funds to the Department of Housing. Community Development provides funds to install measures that reduce residential heating and cooling cost for low income families and enhance the health and safety of the household.
