Subject: ITEM FOR NEXT CITY COUNCIL AGENDA
Attachments: Quote - Life Fitness Training Equipment.pdf

Good Morning~

Chief Anspach would like to place an item on the September 2022 City Council agenda. As a cooperative effort with Fire/EMS, we plan to purchase several physical fitness items from Life Fitness that will replace old and outdated equipment. This will update and enhance the shared training room that our police officers use in order to comply with our Peer Support program, benefitting both their physical and mental wellbeing.

The total cost for the aforementioned equipment would be **\$8,030.25**, and we would like to take the money from our **Asset Forfeiture** account. It is understood that this request would go through two readings by Council before being approved.

Should you need any additional information, please let me know. Many thanks for taking care of this matter on our behalf.
