DEPARTMENT: Finance

PROPOSED ACTION: This item is for second reading of requested budgetary changes.

BACKGROUND: Ordinance No. 22-FIN-11 was presented to Council on September 13, 2022 and passed unanimously on first reading.

The City has received a payment from a multistate opioid settlement. The payment was \$11,508. All settlement funds must be used for opioid remediation.

An appropriation of funds of \$8,030 from State Asset Forfeiture Funds is requested to replace old and outdated physical fitness equipment.

At the end of Fiscal Year 2021-2022 the City had \$924,244 in unpaid purchase orders in five funds (\$795,912 in the general fund, \$3,364 in the recreation fund, \$8,037 in the Stormwater Fund, \$41,311 in the water & sewer fund, and \$75,620 in the emergency response fund). As these are legally binding obligations to purchase goods and services, staff is requesting that these balances be appropriated into FY2023 to meet these obligations in the current fiscal year when they are payable. Encumbrances will be funded from fund balances in each fund.
