Lysa,

Per your direction in your email below, I have attached the Quote for you to get it on next month's FIN ordinance meeting for approval.

Please let me know if it gets approved so I am aware and then I guess you will let me know when you have entered the requisition to get it ordered since you have to do that.

Please note that I have the bill to as our address but the ship to is the PD address when it is time to place the order.

Thank You for getting this all taken care of and ordered for us.

Kristin

Good morning,

The cross reference to this account is 1355-560160 but the money for asset forfeiture is in a fund account that I have to take to council to move to the expense account. Can you send me the information on what you want to charge and the amount so I can get it on our FIN ordinance next month. I will also have to do the req for you as there is no money in that account.
