Subject: 2004 American LaFrance Fire Engine

Good Morning,

With the successful sale of our 2004 American LaFrance Fire Engine, I would like to respectfully request that the \$5900.00 in proceeds be placed into our capital fire equipment account.

The money will be deposited on or about Friday, April 28, 2023 and it would be used to outfit the new engine scheduled to arrive next month.

Thanks

Wayne
