A check. I'm want to make sure a separate account for ARPA funds has been set up.

Karen,
We wired the money last time to Richmond Region Tourism. Do you know what we need to do with this money?

The first money was received a while back and that portion was sent to Richmond Region Tourism. The City received a total of \$50,000. And it was split between Richmond Region and Petersburg Area Regional Tourism. I believe a check for \$12,500 was sent to RRT when Becky was here but I don't have a specific date.

Have we received this money before and if so when? Also do you expect us to receive anymore money or have documentation for this money. I will need to get it appropriated.
Thank you so much for your help.

Yes. Let me check and see if I need to have a check cut for Petersburg Area Regional Tourism. Tis money is part of ARPA funds that we received for tourism efforts.

We received \$12,500 this morning in the bank from Va Tourism. Do you know what this is? Thanks.
