Yes, please do the ordinance. I guess I'd like to add \$1,000 in that line item for the fy24 budget as well if you're agreeable.

There is a line but you are right nothing is budgeted in there. The account number is 4280-560340-BECOM. If you need me to move money from the fund balance (I think they have money there) I will just have to do an ordinance.

Lysa –

Sorry to bother you with this, but I need to pay an invoice for the Beautification Committee for their Arbor Day marker. There are no budgeted funds in the FY23 budget...4280-4728 in the old Legacy system. I'm not sure how to proceed. Assuming you can add the Beautification Committee line item, I could submit a budget transfer?

Thanks
