Regional Plan
for School Readiness

Who We Are

Smart Beginnings Greater Richmond is a partnership of public and private organizations, businesses and individuals serving the cities of Richmond and Colonial Heights, as well as Charles City, Chesterfield, Goochland, Hanover, Henrico, New Kent, and Powhatan counties.

What We Do

The mission of Smart Beginnings Greater Richmond is to lead the transformation of the early childhood system by building regional partnerships and capacity for change.

Why Early Childhood?

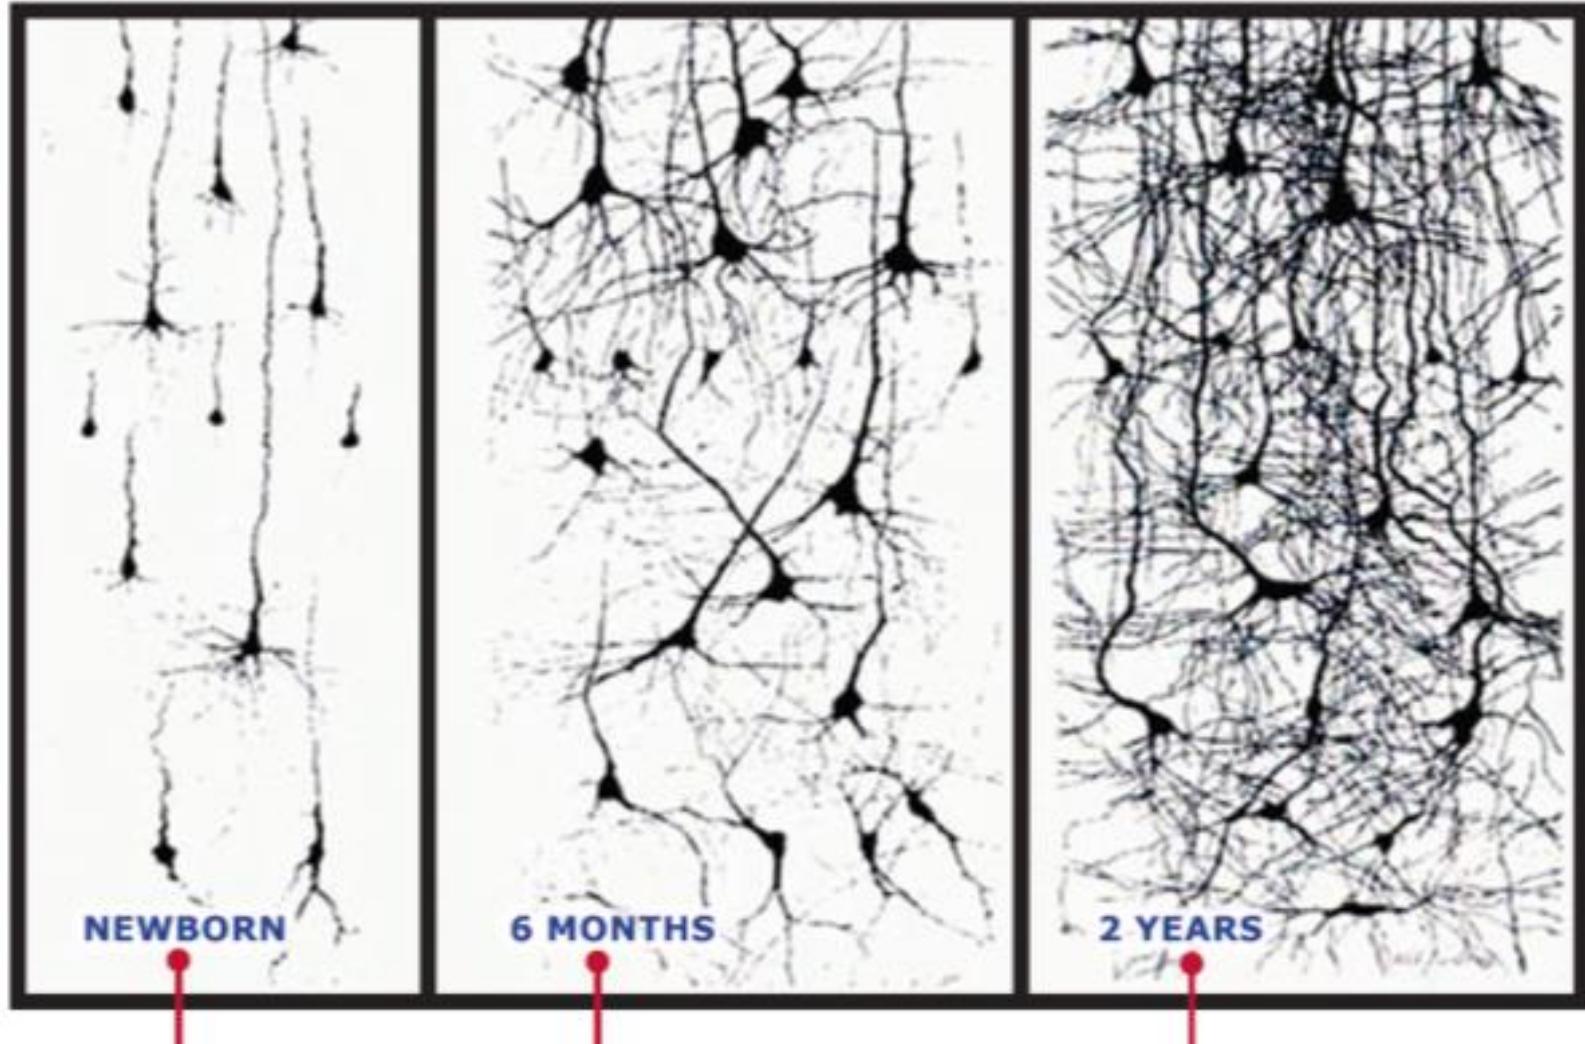

"Early childhood development is perhaps the strongest investment we could make on a raw return-on-investment basis."

Regional Planning Process

The Regional Plan for School Readiness

Vision

All children from birth through five in the Richmond region will be healthy, well-cared for, and ready to succeed in school, work and in life.

Core Values

Equity.

We believe that all children and families should have the opportunity to thrive.

Family.

We partner with families to promote a child's healthy development.

Partnership.

We accomplish more together.

Quality.

We strive to achieve transformational impact in a child's life.

Responsibility.

We are accountable for our actions and investments.

Goal One: Greater Awareness and Enrollment

**Increase awareness
of the importance
of early childhood
and accelerate
enrollment in high-
quality programs for
families with young
children.**

1 Goal One

Greater Awareness and Enrollment

Increase awareness of the importance of early childhood and accelerate enrollment in high-quality programs for families with young children.

Strategies

- 1.1. Communicate the importance of the early years of life and the value of quality early childhood programs to families and stakeholders.
- 1.2. Increase referrals and successful enrollment into quality early childhood programs.
- 1.3. Engage families with young children in shaping regional policy and practice.

Success Measures

Increase in number of families participating in designing regional communications and outreach strategies by 2017.

Establish a baseline and method for measuring awareness and understanding of quality early childhood programs by 2017.

Establish a baseline and set targets for enrollment in quality early care and education programs and public preschool by 2018.

10% increase in families and young children served by early intervention programs by 2019.

Double the number of families and young children served by home visiting programs by 2020.

Goal Two: Collaborative and Intentional Pathways

Enhance collaborative and intentional pathways between schools and public and private programs serving families with young children to improve access and customer service.

2 Goal Two

Collaborative and Intentional Pathways

Enhance collaborative and intentional pathways between schools and public and private programs serving families with young children to improve access and customer service.

Strategies

- 2.1. Develop and implement quality standards for pathways between programs and excellent customer service for families with young children.
- 2.2. Pilot effective pathways between public schools and early childhood programs to increase family satisfaction and use of resources.
- 2.3. Promote developmentally appropriate practices that reinforce connections between early childhood services, health, social services, and public schools.

Success Measures

Increased understanding of available regional resources for families with young children by participating public and private agencies by 2018.

Parents reporting smooth transition between early childhood services and public school and increased satisfaction in pilot care coordination model by 2019.

Adoption of family-centered approach to care coordination and case management by partners by 2020.

Goal Three: Policy Alignment and Public Will

Leverage national, regional, state, and local resources and build public will to expand and sustain the region's quality early childhood programs.

③ Goal Three

Policy Alignment and Public Will

Leverage national, regional, state, and local resources and build public will to expand and sustain the region's quality early childhood programs.

Strategies

- 3.1. Increase the use and sharing of data to better understand conditions, target resources and promote accountability.
- 3.2. Advocate to increase investment of financial resources and support for quality early childhood programs.
- 3.3. Research and promote strategies to maximize the use of public and private resources for innovative financing of early childhood programs.
- 3.4. Advocate for policies that support evidence-based, high-quality early childhood programs.

Success Measures

Expansion of Smart Beginnings's capacity to collect, analyze and publish access, utilization and performance data across the school readiness system by 2017.

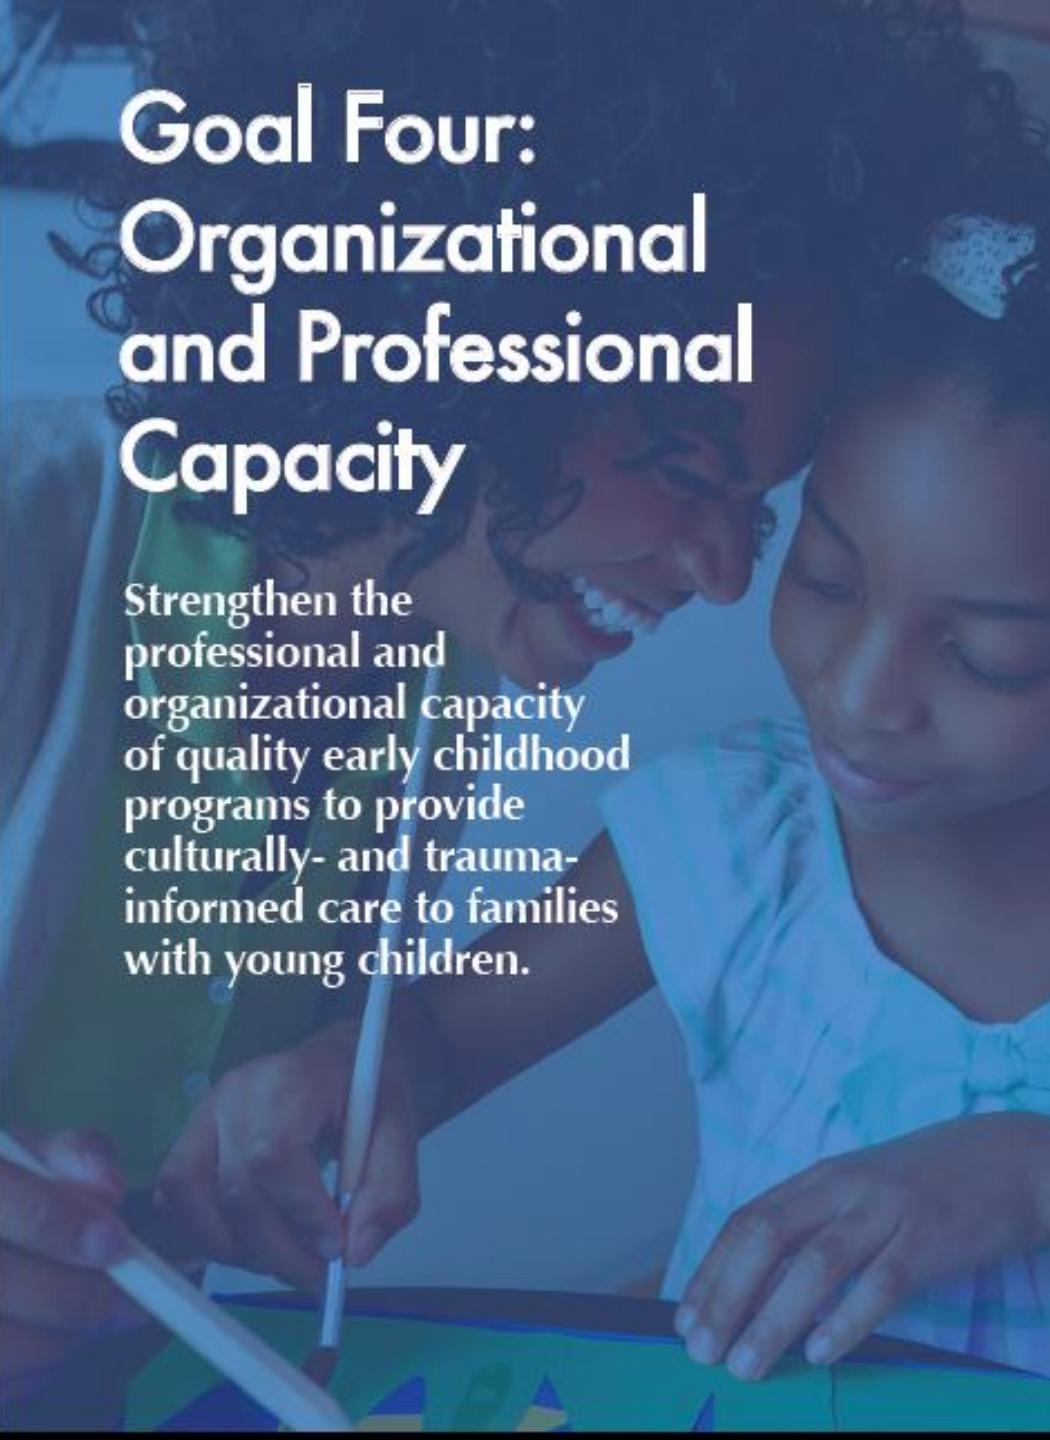

Achieving state and local policy changes that support funding and increase access to evidence based, high-quality early childhood programs.

Richmond region school divisions will pilot a mixed delivery model by 2018.

All local departments of social services will draw down Quality Improvement dollars to support Virginia Quality by 2018.

Increase utilization of allocated Virginia Preschool Initiative funding across Richmond region school divisions from 48% to 70% by 2020.

Home visiting programs and funding will be available in every locality by 2020.

Goal Four: Organizational and Professional Capacity

Strengthen the professional and organizational capacity of quality early childhood programs to provide culturally- and trauma-informed care to families with young children.

④ Goal Four

Organizational and Professional Capacity

Strengthen the professional and organizational capacity of quality early childhood programs to provide culturally- and trauma-informed care to families with young children.

Strategies

- 4.1. Achieve greater levels of participation and progress in Virginia Quality by providers in public and private early care and education settings.
- 4.2. Mitigate the impact of trauma for professionals, families, caregivers, and children in quality early childhood programs.
- 4.3. Support early childhood professionals to understand and reduce racial, ethnic, income, and health disparities among those they serve.
- 4.4. Facilitate the development of sustainable business models for child care providers, particularly those in distressed neighborhoods.

Success Measures

Double participation in Virginia Quality by 2017.

Increase in providers trained in trauma-informed care and integrating practices within their organizations by 2017.

Increase participation in Virginia Quality to serve 25% of all early care and education programs by 2018.

Establishment of a shared services alliance to support early care and education programs by 2018.

Role of Smart Beginnings

- Build capacity at regional and local level
- Harness best practices
- Maximize resources and gain efficiencies
- Promote accountability through data collection and analysis
- Secure outcomes-driven investments
