Message from the Chief of Police

Every day, the men and women of the Colonial Heights Police Department exemplify the vision of their department, which is to make the City of Colonial Heights the safest community in the Commonwealth. We accomplish this by utilizing top-of-the-line equipment, up-to-date training and by strengthening partnerships within the community. We value our relationships throughout the City, and will continue to strive to enhance them. It is my belief that honesty, excellent public service and effective partnerships are the cornerstones to a professional police organization. With pride, I can say that we have that here. Only by working together with the citizens we serve are we better able to create the type of community that the residents will be proud to call "home".

Contained within our **2017 Annual Report**, it is my hope that you will see that our department has positively transitioned through change. We have become more diverse, receptive and our employees are more formally educated. Our agency was reorganized in 2017 in order to provide better accountability due to the ever increasing duties and responsibilities that law enforcement encounter today. In 2017, we experienced retirements of administrative level officers, which allowed promotions for several hardworking, deserving employees. These promotions provided subsequent opportunities within our agency, allowing for a reconfiguration of our school resource officers throughout the school system. Placing the right person in the right position has always been a source of pride. These retirements have also enabled us to improve the department by hiring officers who meet the needs for policing in the future. By hiring experienced officers who possess the knowledge, compassion and understanding of different cultures that today's public expects, we have attained the finest dynamic that a department can hope for.

In 2017, we were very excited to achieve our goal of reaccreditation with the Department of Criminal Justice Services and the Virginia Law Enforcement Professional Standards Commission. This was our first experience since initial accreditation in 2013, and our department more than met the challenges. We continue our active role in the community with our involvement in programs such as *Special Olympics*, *Celebrate Safe Communities Night*, *Neighborhood Watch*, *Citizens Police Academy* and being a partner in hosting the *Regional Opioid Summit*.

This past year, we initiated two new programs to enhance our skill set and impact our community in a positive way. First, we obtained a local grant from a pharmaceutical company that manufactures anti-heroin Naloxone auto injectors. After training, our officers were equipped with this new tool, which aids in combating the opioid epidemic and can potentially save lives. The second new program we initiated was the L.A.P. (Lethality Assessment Program), which identifies domestic violence offenders who may have the propensity to commit more serious acts of violence against their victims. This program also offers on-scene resources such as counseling and temporary room and board for victims of domestic violence.

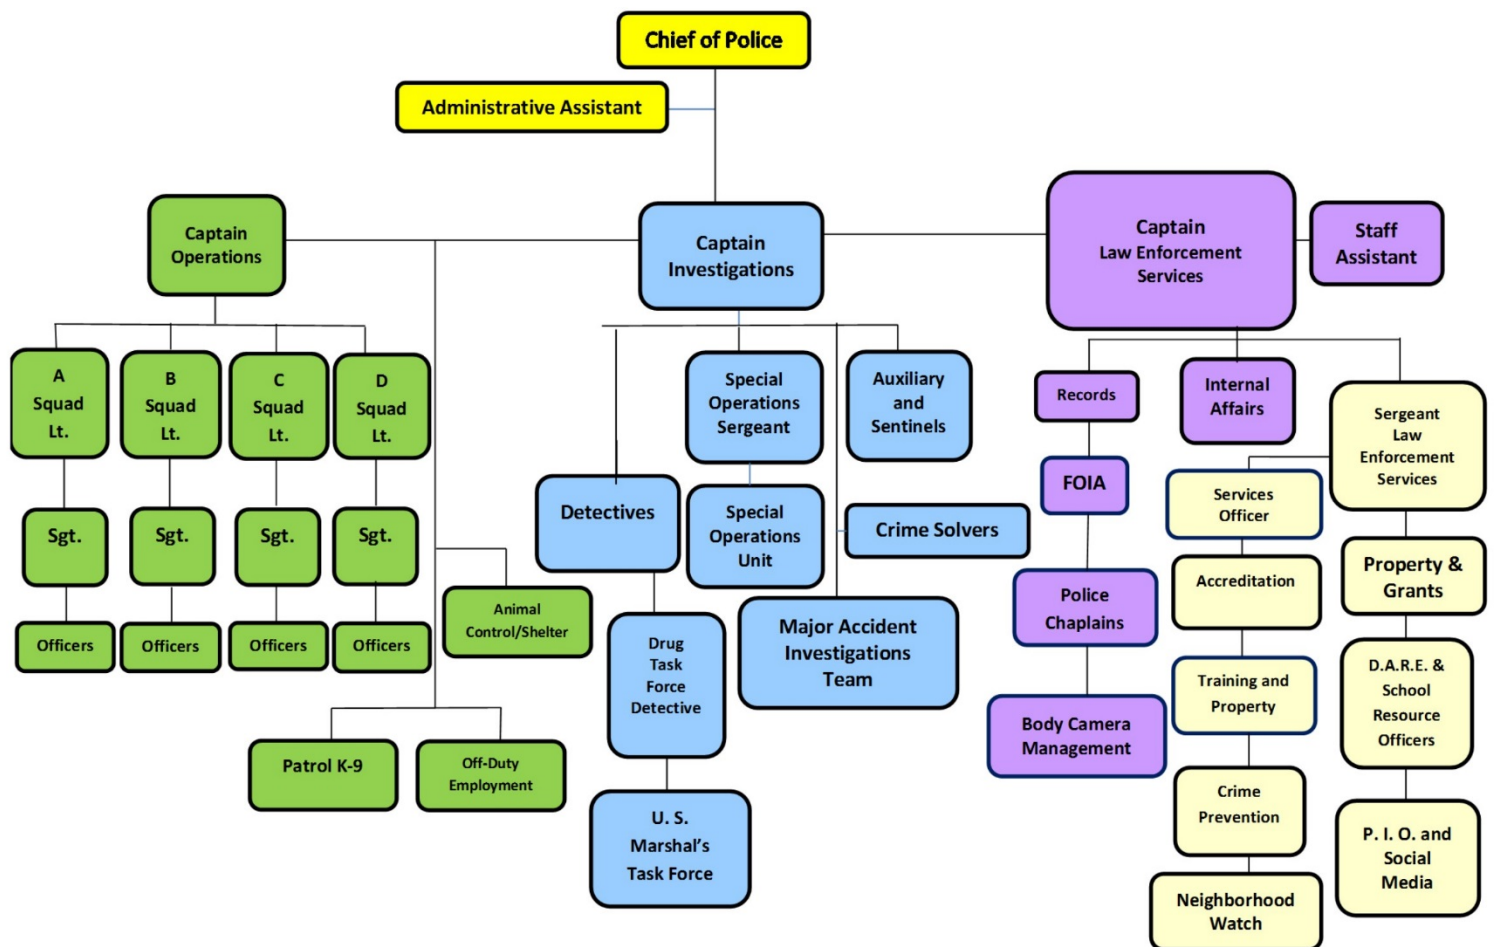

Finally, 2017 marks my eleventh year as Chief of the Colonial Heights Police Department. I could not be prouder of the sworn officers and civilian staff who represent this department. We will continue our efforts to keep the citizens of Colonial Heights safe and our community secure. Thank you for all of the support—it does not go unnoticed.

Col. W. Fain

2017 Organizational Chart

MISSION STATEMENT

The mission of the Colonial Heights Police Department is to protect the life, individual liberty and property of all people within the City of Colonial Heights, to develop and actively pursue a positive relationship with members of the community and to foster a positive working environment for members of the Colonial Heights Police Department.

DEPARTMENT GOALS

The employees of the Colonial Heights Police Department are committed to accomplishing our mission through attainment of the following goals:

- Preserving individual rights as guaranteed by the Constitution of the United States
- Effectively enforcing state and local laws and ordinances
- Aggressively investigating criminal offenses
- Providing timely apprehension of persons suspected of committing criminal acts
- Effectively managing departmental resources for optimal service delivery to all citizens
- Providing impartial, competent, and courteous service to the public without regard to race, creed, or gender

OPERATIONS DIVISION

Uniform Patrol

The Uniform Patrol Division falls under the purview of Captain Steve Groat, who is the Operations Division Commander. The Division is comprised of 31 sworn officers divided amongst four squads. Each squad consists of a lieutenant, sergeant, and patrol officers. Squad personnel provide police protection 24/7, working 12-hour shifts.

Uniform Patrol officers provide a myriad of services to our community. Some of their responsibilities include: responding to calls for service, enforcing state and local criminal and traffic laws, conducting investigations, processing evidence, testifying in court, proactively identifying and addressing quality-of-life issues and concerns, and providing general guidance for citizen inquiries.

The department has a strong belief in building partnerships with the citizenry, other City departments, business leaders, civic organizations, and other criminal justice agencies. These relationships are critical in order for the department to provide the best, multi-dimensional services as possible.

Investigations Division

The Investigations Division of the Colonial Heights Police Department is guided by Captain Dann Ferguson and is comprised of two sergeants, three general detectives, two task force detectives and two special operations officers. Detectives have the primary responsibility in the investigation of serious or serial crimes. Crimes commonly assigned to the detectives include rape, robbery, homicide, burglary, sex offenses, missing persons and fraud-related incidents. Task Force officers are assigned to the Virginia State Police Central Virginia Regional Narcotics Task Force, with a primary focus on investigations on middle- and upper-level drug dealers in the Tri-Cities, Chesterfield, Dinwiddie and Prince George Counties. The U.S. Marshals Service Regional Fugitive Task Force is a joint effort that investigates and apprehends local, state and federal fugitives, thereby improving public safety and reducing violent crime. The Special Operations Unit is a specialty unit comprised of police officers who concentrate on quality of life crimes (disorderly conduct, public intoxication, prostitution, etc.), narcotics, gang activity and any other tasks that would require their specialized skill set.

Officers assigned to the Investigations Division are charged with the task of bringing each assigned incident or case to closure. This is accomplished through the identification, evaluation, collection and documentation of facts and evidence specific to the incident. It is further consummated through a variety of interviews with victims, witnesses, suspects, etc. When it has been determined that a crime has been committed, all aspects of the case are compiled and forwarded to the Commonwealth Attorney's Office for prosecution in court.

Each officer is trained in basic investigation, interviewing, interrogation, forensics and photography. Specialty courses such as computer fraud, internet crimes, child sexual abuse, forensic science courses, narcotics investigations and social media have been completed by most of the officers. Officers are regularly enrolled in advanced training to expand their knowledge and skills necessary to carry out these complex investigations.

The Investigations Division routinely works with local, state and federal agencies while investigating crimes occurring in Colonial Heights and the region. Agencies such as the Federal Bureau of Investigations; U.S. Secret Service; Alcohol, Tobacco and Firearms; Virginia Lottery and the Virginia State Police provide or receive assistance from the Investigations Division annually.

SEXUAL ASSAULT SUSPECT ATTEMPT TO IDENTIFY

On August 7, 2017, at 10:58am a white male in his 20's, approximately 5'08", 150-180lbs, with brown hair, blue eyes and facial hair physically assaulted a female runner along the Appomattox River Trail. The victim was able to push the suspect back and the suspect stated, "I am sorry, I am sorry" and fled the scene westbound along the river trail. The suspect was last seen wearing a gray long sleeved shirt or hoodie.

The Colonial Heights Police is asking anyone who was in the area that may have seen and/or heard this incident, or recognizes the composite drawing of the suspect, or witnessed any suspicious activity along the river trail, to contact the Colonial Heights Police Department at 804-520-6900 (option #7), or the Chesterfield Colonial Heights Crime Solvers at 804-748-9666.

Law Enforcement Services Division

Captain William Anspach commands the Division of Law Enforcement Services. Their mission is to provide support to all officers and staff of the Colonial Heights Police Department. The division is responsible for training; maintenance and purchasing of equipment; management of the property and evidence room; handling of social media and media relations; overseeing accreditation and crime prevention. Additionally, the division conducts inspections, manages grants, and maintains and controls all departmental records and special projects, to include the body camera program. The Law Enforcement Services Division encompasses a services sergeant, accreditation and crime prevention officer and five School Resource Officers. Throughout the year, the division holds numerous community events such as Celebrate Safe Communities Night, drug take-backs, and other events that help to keep the community informed and in touch with their police department.

1st Re-accreditation Certificate Awarded

In 2012, the Colonial Heights Police Department was the first agency in the tri-cities to achieve accredited status. Each year since then, our agency has worked to ensure that we are meeting the requirements of the Virginia Law Enforcement Professional Standards Commission by providing “proofs” of compliance for more than 700 standards. In December of 2016, three certified VLEPSC assessors visited our agency for two days, thoroughly inspecting our operation from top to bottom. The result was that in January of 2017, we received our first reaccreditation certificate and a nearly flawless report from the assessors. This was a fantastic accomplishment and a tribute to the hard work and professionalism that our agency displays each and every day to the citizens that we serve. Accreditation is not only important to our community to ensure professional police service, but it also provides a working environment that our employees can be proud of.

Master Officer Dale Waldrop
Colonial Heights High School

The Colonial Heights Police Department is thankful to have five police officers who serve as full-time school resource officers. These officers provide a visible and positive image to their students, as well as a safe environment that is conducive to learning. SRO's also provide security at afterschool and sporting events, evaluate security threats and investigate and make criminal arrests. During the summer months and school vacations, SRO's assist the Operations Division by providing additional patrol coverage.

2017 Highlights

Retirement

In May of 2017, the agency was proud to announce the retirement of Captain Wayne Newsome after serving the Commonwealth of Virginia with more than 40 years of service, his last 36 years with the City of Colonial Heights Police Department. During his tenure with the agency, Captain Newsome taught D.A.R.E, was a patrol sergeant, a patrol Lieutenant and at his retirement, was in charge of Law Enforcement Services.

The City honored Captain Newsome with a celebration that was well attended by city employees and officials, friends and family from Dinwiddie County, Prince George County, the City of Petersburg and the City of Hopewell.

2017 Promotions

2017 Awards

In April of 2017, Detective Sergeant Thad Johnson was honored by the Department of Justice, United States Attorney's Office Eastern District of Virginia Richmond Division with a Public Service Award.

Sergeant Johnson investigated and identified a prior federal defendant who was responsible for a robbery involving a stolen firearm and numerous burglaries in Colonial Heights and the Tri-City area. The suspect has since been prosecuted and is serving a federal sentence of thirteen years.

Senior Officer Robbie Simmons was recognized at the 2017 Virginia M.A.D.D. Awards for the fourth year in a row, after leading our agency in the most arrests for impaired driving during 2016. Congratulations Senior Officer Simmons for another job well done!

2017 Bloodhound Activities

Career Officer Chris Wulff and his K-9 partner, *Rose*

2017 was a busy year for Rose. She and CPO Chris Wulff responded to over 30 calls for K-9 related service, not only serving the citizens of Colonial Heights, but also aiding neighboring jurisdictions, to include Chesterfield County, Prince George County, Hopewell and Petersburg. The types of calls Rose and CPO Wulff responded to vary from attempting to locate burglary and assault suspects, to tracking missing adults and runaway children.

Some of our finest moments include when Rose and CPO Wulff were able to locate an adult suspect who had assaulted an off-duty police officer. Rose and CPO Wulff responded to the scene of a convenience store robbery in the city of Petersburg. Rose trailed the alleged suspect to a residence approximately one mile away. A search warrant was obtained and the suspect was found inside the residence, largely due to Rose's efforts.

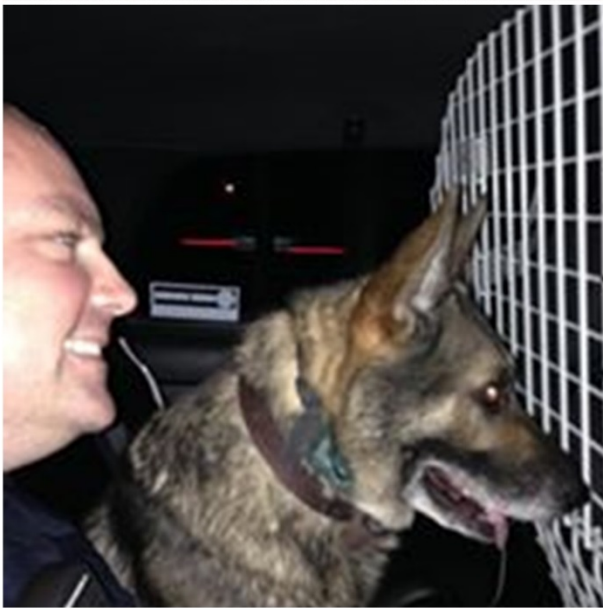

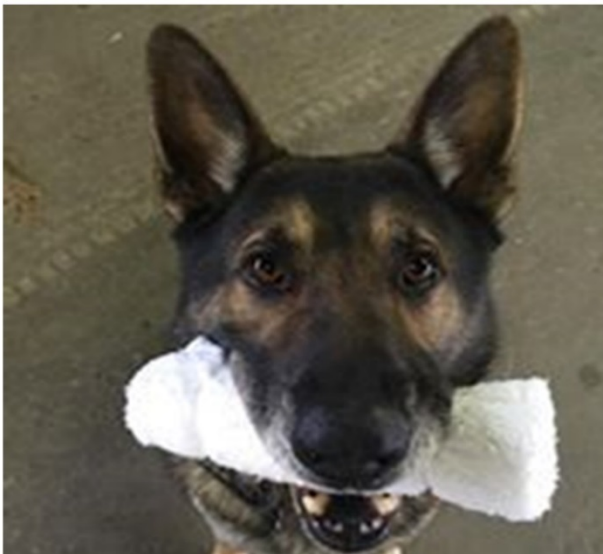

2017 Narcotics K-9 Activities

Career Officer Eric Allen and his K-9 partner, *Blitz*

2017 was a busy and productive year for K-9 Blitz. He assisted on search warrants, traffic stops, parcel checks and license checkpoints in our jurisdiction, as well as Chesterfield County. His efforts resulted in several individuals being arrested for dangerous drugs. When not utilizing his superior sense of smell to keep the streets safe, Blitz is happy to give the public a demonstration. These demonstrations were conducted for the Boy Scouts, D.A.R.E. graduations and The Crime Solvers Club at both the middle and high schools.

MAJOR ACCIDENT INVESTIGATION TEAM

Officers assigned to the Major Accident Investigation Team (M.A.I.T.) are responsible for investigating fatal and major vehicle crashes, as well as crashes involving police department vehicles. M.A.I.T. team members also provide expertise to patrol officers regarding the investigation of less serious crashes. Many investigations conducted by the team involve the determination of speed, crash reconstruction, interviewing witnesses, collecting and preserving forensic evidence, and courtroom testimony.

M.A.I.T. team officers investigated one fatality crash in 2017 that involved a motor vehicle versus a pedestrian. This was down from four fatal accidents that the M.A.I.T. team responded to in 2016. Investigation into this accident revealed that it was alcohol related.

Colonial Heights Police Investigate Fatality

On February 6, 2017 at 1202 a.m., the Colonial Heights Police Department responded to the intersection of Shuford Avenue and the Boulevard for the report of an accident involving a pedestrian and a motor vehicle. When officers arrived they found Denise Marie Croft, 46 of Colonial Heights, injured in the roadway. Croft was transported by Colonial Heights Fire/EMS to Southside Regional Medical Center where she later died.

The Colonial Heights Major Accident Investigation Team responded to the scene and initiated an investigation, which remains ongoing. Anyone with information about this incident is asked to call the Colonial Heights Police Department at (804) 520-9300.

AUXILIARY AND VOLUNTEERS

On September 15, 2017, Auxiliary Lt. Daniel A. Wiegratz passed away after a long hard fight with cancer. For 19 years, Danny served his community through his volunteer service. Through personal tragedy and illness, Danny was a staple of this agency and dedicated his life to serving his community. Even in the last few months of his life, Danny participated in the Fort Clifton Festival and Emporia Pork Festival and talked about his return to work security at the local football games. We miss you Danny!!

2017 Current Events

One of the largest construction projects in recent memory came to a conclusion in 2017 with the completion of the Temple Avenue roundabout. This project eliminated the need for a traffic light at the intersection of Temple Avenue and I-95. Prior to construction, this intersection had been one of the most accident plagued intersections in the City.

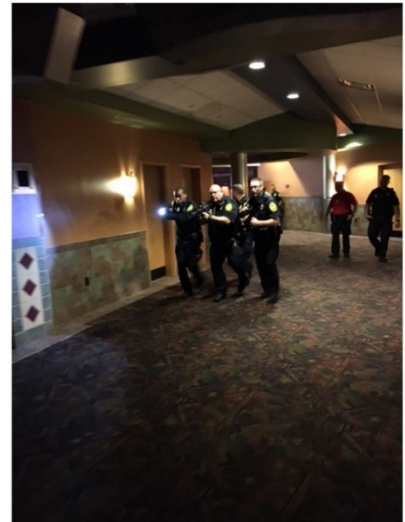

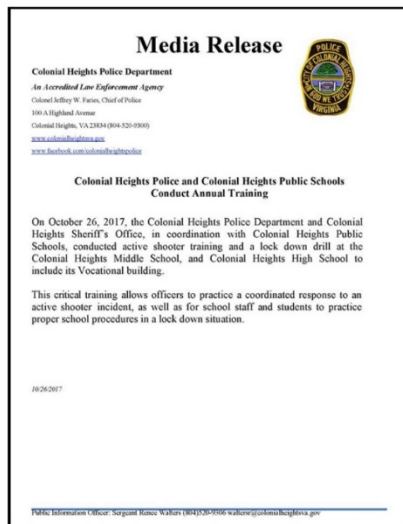

In September of 2017, the City's Medical Director, Dr. Dusty Anderson, received a grant from Kaleo Pharmaceuticals to obtain Naloxone auto-injectors for officers in Colonial Heights and Petersburg. Unfortunately, Colonial Heights has not been immune from the terrible effects of opioids, and our first responders are usually the first to come into contact with these individuals. The auto-injectors allow officers who accidentally contact an opioid in the field to provide life-saving assistance to their fellow first responders. It also provides officers with the ability to administer this life-saving antidote to citizens who are suffering a life-threatening overdose. In 2017, we responded to 22 overdoses, two of which were fatal, and administered seven doses of Naloxone.

2017 Training Events

On September 11, 2017, the entire agency participated in a scenario-based active shooter training event at Southpark Mall. This exercise involved role players, interaction with Fire and EMS personnel, and was precipitated by discussion and one-on-one movement training with officers.

In November of 2017, Colonial Heights detectives joined agencies from across the region to train as members of the FBI's new Joint Child Abduction Rapid Deployment Team. This training, which took place in Chesterfield over the course of several days, stressed the importance of teamwork, decision-making and unified command and control during the critical first few hours of a child abduction.

ANIMAL CONTROL

The Animal Control Division enforces all city and state laws and regulations relating to the control and protection of animals. Animal Control personnel also operate and maintain the Animal Shelter in accordance with state laws. Animal Control consists of one full-time Animal Control officer, or ACO, one cross-trained police officer and three part-time shelter aides. In 2017, the Colonial Heights Animal Shelter underwent a major renovation, the first since 1995. This included the addition of 10 new dog runs, a new cat family visitation room, an additional storage room, and a remodel of the existing facility. In all, this renovation took more that a year to complete at a cost of \$370,000.00. This project was only possible because the City is blessed to have partners like Joanne and David Glazier, the Colonial Heights SPCA, Engineer Charlie Townes, and many others who either donated money or their time to ensure a successful project. The new and improved facility will provide many years of service to our citizen and animal community.

DEDICATION

We would like to dedicate our **2017 Annual Report** to those individuals who were instrumental in the renovation of our Animal Shelter. For many years, our shelter operated with a facility that, by all accounts, had outlived its use. Constructed in 1979, and with the last renovation completed in 1995, the floors had deteriorated to a point where they were unsafe for animals to walk on. The HVAC and electrical systems were outdated, and the facility itself was simply too small to support the number of animals. The shelter had reached a point where even the State Veterinarian inspectors were beginning to express their concerns. The time to renovate had come! Two individuals and one organization stepped in and dedicated themselves to the well-being of the animals and the City—resident Joann Glazier, engineer Charlie Townes, and the Colonial Heights SPCA. Mrs. Glazier and the SPCA provided a substantial portion of the proceeds, while Charlie Townes provided the necessary architectural and general contractor support. Together, the plans were drawn, the contractor selected, and renovation finally began. Thanks to their efforts, as well as countless others, we now finally have a facility that will serve us for many years to come.

We would like to express our sincere gratitude to everyone involved and say how thankful we are to have individuals in our community who are willing to step forward and take on these challenges.
