Mayor and Council Members,

I hereby present the annual Operating Budget for the City of Colonial Heights for the Fiscal Year beginning July 1, 2023 and ending June 30, 2024.

The total appropriation included in this FY2023-24 Annual Budget, net of the transfer to schools, is \$114,005,621 which is 2.5% larger than the current fiscal year adopted budget. Significant changes between the current year adopted budget and this budget are the reduced level of appropriations in the Capital Projects Fund (-41%), the Information Technology Fund (82.5%) and Recycling (32.5%) as compared to the current adopted budget. The Capital Projects Fund decrease is related to appropriations for capital projects being significantly lower than the current year budget; however, the total proposed capital projects funding for FY 2024 still exceeds \$6 million. The increase in the Information Technology Fund is for increased costs of computer services through a third-party vendor and for Microsoft Office costs. The Recycling increase is related to costs for the new recycling contract that is overseen by the Central Virginia Waste Management Authority. The overall budget, by fund, is shown in the following graph:

The City's total General Fund budget for the upcoming fiscal year of \$70,575,890 is an increase of 8.5% from the original FY 2022-23 General Fund budget of \$65,042,989 (the proposed FY 24 General Fund Budget net of interfund transfers is \$45,598,356 as shown in the graph on the previous page. Funding for Colonial Heights Public Schools through the Memorandum of Understanding (MOU) between the School Board and City Council increased slightly in the upcoming budget (further details below). Under this MOU, the School division receives 50.73% of the City's top six revenue sources as the local contribution to schools. The City's transfer is adjusted to the actual revenue received from these six sources at the end of the fiscal year. The FY 24 General Fund budget includes: one full-time position converted from funding from two part-time positions, increases in health insurance premiums, technology cost increases, various service equipment replacements, and funding in contingency for additional school funding (not yet included in the School budget appropriation) due to revised revenue projections.

The budget for Colonial Heights Public Schools totals \$54,292,287, which is 47.6% of the total budget and an increase of \$1.9 million over the current year. The School Budget includes funding for major capital improvement projects for the High School administrative/entrance area and the Fine Arts area. The line item detail of the school budget is found in the back of this document.

Transfers from the General Fund to other funds represent the largest expenditure of the General Fund budget. The General Fund transfer to the Colonial Heights School system is budgeted at \$23,943,013, similar to the \$23,876,045 transfer in the current fiscal year budget. The General Fund also includes a transfer to the Capital Projects Fund of \$1,034,521 from assigned fund balances. The current year budget provided a \$187,600 transfer to the Capital Projects Fund.

The FY23-24 Budget continues the City's practice of being a balanced, financial plan. It was created with input from all department heads.

The budget includes the continuation of existing services and programs; support for existing staff and operations; and funding for equipment replacement and selected new investment.

The City's budget is comprised of eight (8) funds:

- **General Fund – (\$45.6M, net of \$24.98M transfers)** The General Fund provides for the majority of city services; the funding of the General Fund comes from taxes, charges for services, fines and forfeitures, and intergovernmental revenue, among others. All functions not included in one of the other six funds are provided through the General Fund.
- **School Fund – (\$54.3M)** This fund accounts for revenues and expenditures related to the operation of the Colonial Heights Public School System (CHPS). The City makes a lump-sum transfer of funds to the school division each month based on a formula as set in a Memorandum of Understanding (MOU) between the School Division and the City. While the school funds are appropriated by City Council in total, the School Board allocates and manages these funds.
- **Economic Development Authority Fund – (\$29,580)** This fund receives administrative fees from the issuance of debt on behalf of specific economic entities. These funds are appropriated for use by the Colonial Heights Economic Development Authority in the promotion of economic development in the City.

- **Recreation Fund – (\$160,917)** The Recreation fund holds revenues and expenditures relating to specialized recreation services including athletic leagues, community events, youth sport sponsorships, classes, etc. Salaries of the Recreation and Parks staff and basic activities of the department are funded through the General Fund.
- **Capital Projects Fund – (\$6.6M)** Large capital purchases are planned through the City’s Capital Improvement Plan, which is a supplemental document to this Operating Budget and integral part of the City’s budgeting process. The Capital Projects Fund accounts for expenditures related to the purchase, construction, and installation of capital projects as included in the City’s Capital Improvement Plan. Revenue sources include transfers from other funds, debt proceeds, or capital grants used to fund these large-scale projects.
- **Information Technology Service Fund – (\$388,106)** This fund is funded through charges to each department for the ongoing maintenance and ultimate replacement of desktop and laptop computers in service in departments and computer licenses. These charges are accumulated in the IT Service Fund, where they will pay for the City’s outsourced technology support as well as funding a replacement fund and computer licenses.
- **Stormwater Management Fund* – (\$1,130,745)** Stormwater management activities are funded through a monthly stormwater fee on City utility bills. The stormwater fees are deposited to the Stormwater Management Fund and used to maintain stormwater infrastructure and fund related capital improvement projects.
- **Water and Sewer Fund* – (\$5.9M)** The City’s potable water and sanitary sewer services are recorded in the Water and Sewer Fund.

*Designates Enterprise Funds

The FY23-24 budget document is presented in a format similar to prior years. Preceding most departmental budgets is a title page that includes a brief narrative with information as to departmental activities, duties, and responsibilities. Also, on this page are performance indicators providing statistical data of that department’s volume of work and a summary of personnel resources. As was included in the current year budget, this document includes a five-year plan for equipment, furnishings, fixtures, vehicles and other one-time capital outlays in each major department.

FY2023-24 ANNUAL BUDGET - Budget Highlights and Issues

The City of Colonial Heights continues to respond to financial challenges through the effective management of its available resources. As we look into the future, infrastructure replacement, increased demands for services, and general increases in costs will continue to stretch current financial resources. This budget does not anticipate deficit spending and/or utilization of unassigned fund balance for operating expenses (some of the assigned fund balance utilized in the proposed budget is yet to be assigned following the FY 22 audit; these assignments will be proposed to Council prior to the final adoption of the FY 24 budget).

The following is a brief discussion of various issues impacting the FY23-24 Annual Budget:

Cost of Operations

The City has experienced increased costs in various areas. Providing a compensation increase to employees is a critical item for rewarding our employees and for helping with recruitment and retention. The proposed budget includes a 5% cost of living adjustment for full-time employees who are not included in the Public Safety Pay Plan. Additional pay adjustments are included for maintenance employees. Various revisions are included for the Public Safety Pay Plan to assist with recruitment and retention.

Contingency funding is also reserved in the amount of \$150,000 for additional compensation items:

- Establishment of a longevity pay program or other type of compensation program for full-time employees not part of the Public Safety Pay Plan (to be recommended by the City Manager).
- Funds for part-time pay increases if not already included in various departmental budgets.
- Other employee pay adjustments as approved by the City Manager.

Health insurance costs increased approximately 6% for FY 24 with the City taking on 80% of the increased cost (for most plan types). City costs also increased for payments to various organizations in which the City participates.

Funding Enterprise Operations

These City's utility rates were last adjusted in 2021. A rate increase of 5% is proposed for water and sewer rates for FY 23-24. Even with the 5% adjustment, additional funds are needed to balance the Water and Sewer fund. The budget includes a transfer from Water and Sewer fund balance in the amount of \$358,117.

Capital Outlay

As mentioned earlier, the FY23-24 operating budget supports various capital projects through the transfer of funds from the General Fund. The City plans the one-time utilization of \$547,500 in assigned General Fund balances resulting from prior year surpluses for specific one-time and capital projects. The use of general fund assigned fund balance is planned for the following projects:

- Partial funding of the replacement of Police vehicles (\$325,000)
- Partial funding of replacement Sheriff's vehicle (\$30,000)
- Street Maintenance vehicle (\$50,000)
- Parks & Grounds Maintenance diesel tractor (\$38,000)
- Council Conference Room/Council Chambers upgrades (\$15,000)

In addition, \$30,000 of assigned fund balance is being used to partial offset the maintenance cost of the new Computer Aided Dispatch/Records Management system for Public Safety.

Fees and Rates

The Personal Property Tax Rate from \$3.50 per \$100 of assessed value for calendar year 2023 is proposed to stay the same for calendar year 2024. No change is proposed for the real estate tax rate.

A slight meals tax increase of $\frac{1}{2}$ penny is proposed for FY 23-24. This funding will be shared between the City and Schools. For the City, this funding will assist in providing increased compensation to City employees.

The monthly rate for garbage/recycling is proposed to increase from \$18.50 to \$20.50 due to garbage collection and recycling rate adjustments.

Specific Personnel Needs/ Staffing

The budget includes funding in FY23-24 for two hundred seventy-four (274) full-time positions, in addition to multiple part-time and seasonal positions (based on available funding). This is the same as the adopted budget for FY23. For the Sheriff's Office, funding from two part-time positions is reallocated to an additional full-time budgeted position. In the Planning and Community Development Department, the position allocation is revised to show two part-time Code Enforcement Officers in place of one full-time Building Inspector. The two part-time Code Enforcement Officer positions have been existing positions for some time, but had been funded from the full-time Building Inspector position that was not filled.

Vehicles, Furniture, Fixtures & Equipment

Planned replacement and acquisitions of vehicles, furniture, fixtures, and equipment in the General Fund for FY 23-24 total \$779,320. This is a increase of 17.7% when compared to the FY23-23 figure of \$661,995. Some items included in the proposed FY 24 budget include the replacement of six police vehicles, vehicles for the Sheriff's Office and Street Maintenance, and equipment for Parks Maintenance. The chart below illustrates equipment, furniture, fixtures, and vehicle spending planned in FY 24 by functional category.

General Fund Vehicles, Furniture, Fixture, and Equipment – Planned FY 24 Spending

Budget Category	Amount	Percent of Total
Legislative	15,000	1.92%
General & Financial Admin.	9,300	1.19%
Judicial	63,050	8.09%
Public Safety	483,870	62.09%
Public Works	128,200	16.45%
Culture and Recreation	77,500	9.94%
Community Development	2,400	0.31%
TOTAL	779,320	

Capital Improvement Plan FY2024-FY2028

The budget process included the development of a separate five-year Capital Improvement Plan (CIP). The City's capacity for issuing new debt over the period of the CIP was analyzed and funding alternatives for capital projects were identified.

Colonial Heights will need to renovate and replace core infrastructure and facilities to continue the service levels enjoyed by its citizens. By planning for these needs over the long term and matching them to the available resources over that same term, City Council and City Management can proactively address community needs in a systematic and planned manner that maintains a stable tax base and allows for continued excellence in our services to the public.

The following projects are included and recommended for funding in the first year of the Capital Improvement Plan. They will be appropriated in the Capital Projects Fund as part of this Budget:

- Auxiliary City Hall Parking Lot
- Total Maximum Daily Load Project
- Ridge Road Culvert Replacement
- Boulevard at Temple Intersection Improvements
- Boulevard at Westover Intersection Improvements
- Branders Bridge Right Turn Lane Extension
- Lakeview Avenue Modernization Phase I
- Colonial Heights High School Sidewalks
- Boulevard Spur Appomattox River Greenway Trail
- Asphalt Path Renovation (Park locations)
- Gateway Roundabout Improvements
- Colonial Heights High School Fine Arts Renovation (Music – Art)
- Colonial Heights High School Front Entrance, Administration Areas

For additional information on all capital projects, including those proposed for funding in future years, please see the City's Fiscal Years 2024-2028 Capital Improvement Plan.

Other Items

- **Compensation Adjustments** – The General Fund budget includes funding for employee compensation as referenced earlier.
- **Employee Health Insurance** – As mentioned previously, premiums for FY 23-24 increased approximately 6%, after an approximate 9% increase in the previous year. The City is absorbing a significant amount of this increase at a cost of approximately \$177,000 for all funds.
- **Financial Policies** – The City of Colonial Heights' financial management policies are also included in this document. A recommended change is proposed for FY 24 for the City's Financial Policies for the Contingency Budget. The current policy provides that the minimum level of Contingency Funding is one half of one percent of the estimated General Fund revenues. Staff recommends a revision to change the required minimum level of Contingency Funding to one half of one percent

of the estimated General Fund expenses, net of interfund transfers. Staff will present this policy change for Council consideration during the budget process. The change would reduce the required level of base Contingency funding for FY 24 from approximately \$353,000 to approximately \$228,000. This differential in the Contingency funding level helps to provide funding for the above described additional employee compensation items.

In summation, the FY23-24 budget does show an increase from the previous fiscal year. However, the City faces cost increases requiring additional funding, and it is critical for the City to provide meaningful compensation adjustments to our employees.

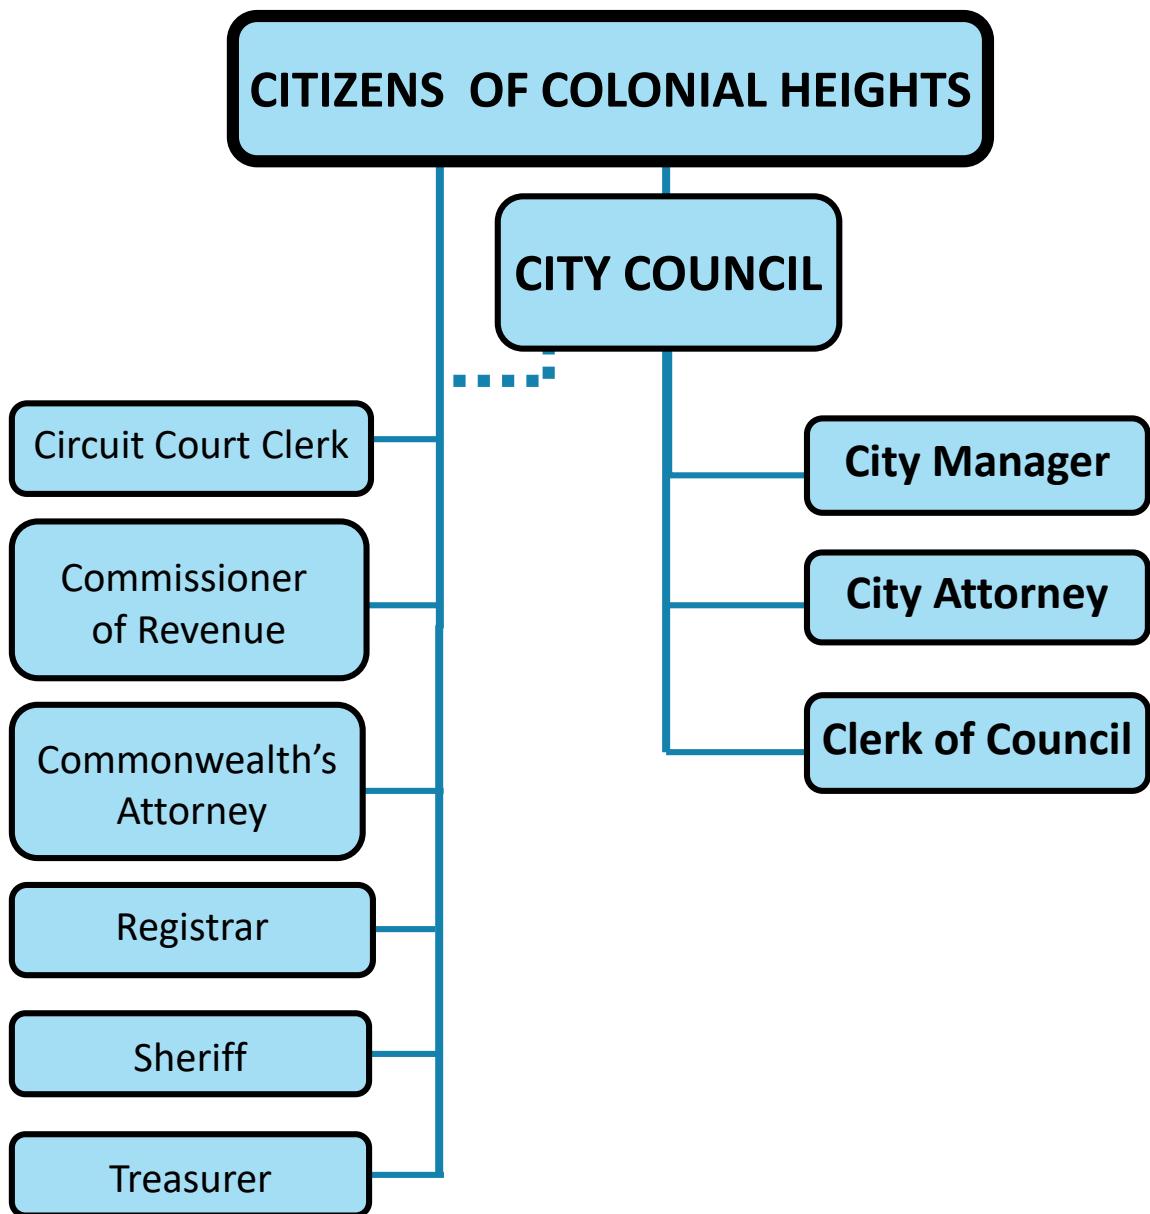

The last several years have been challenging for all. I commend the staff of the City of Colonial Heights for their dedication to continuing to provide such important services to our community each and every day. On behalf of the City staff, I thank the Mayor and City Council for their ongoing support and continued service to the citizens of Colonial Heights.

Sincerely,

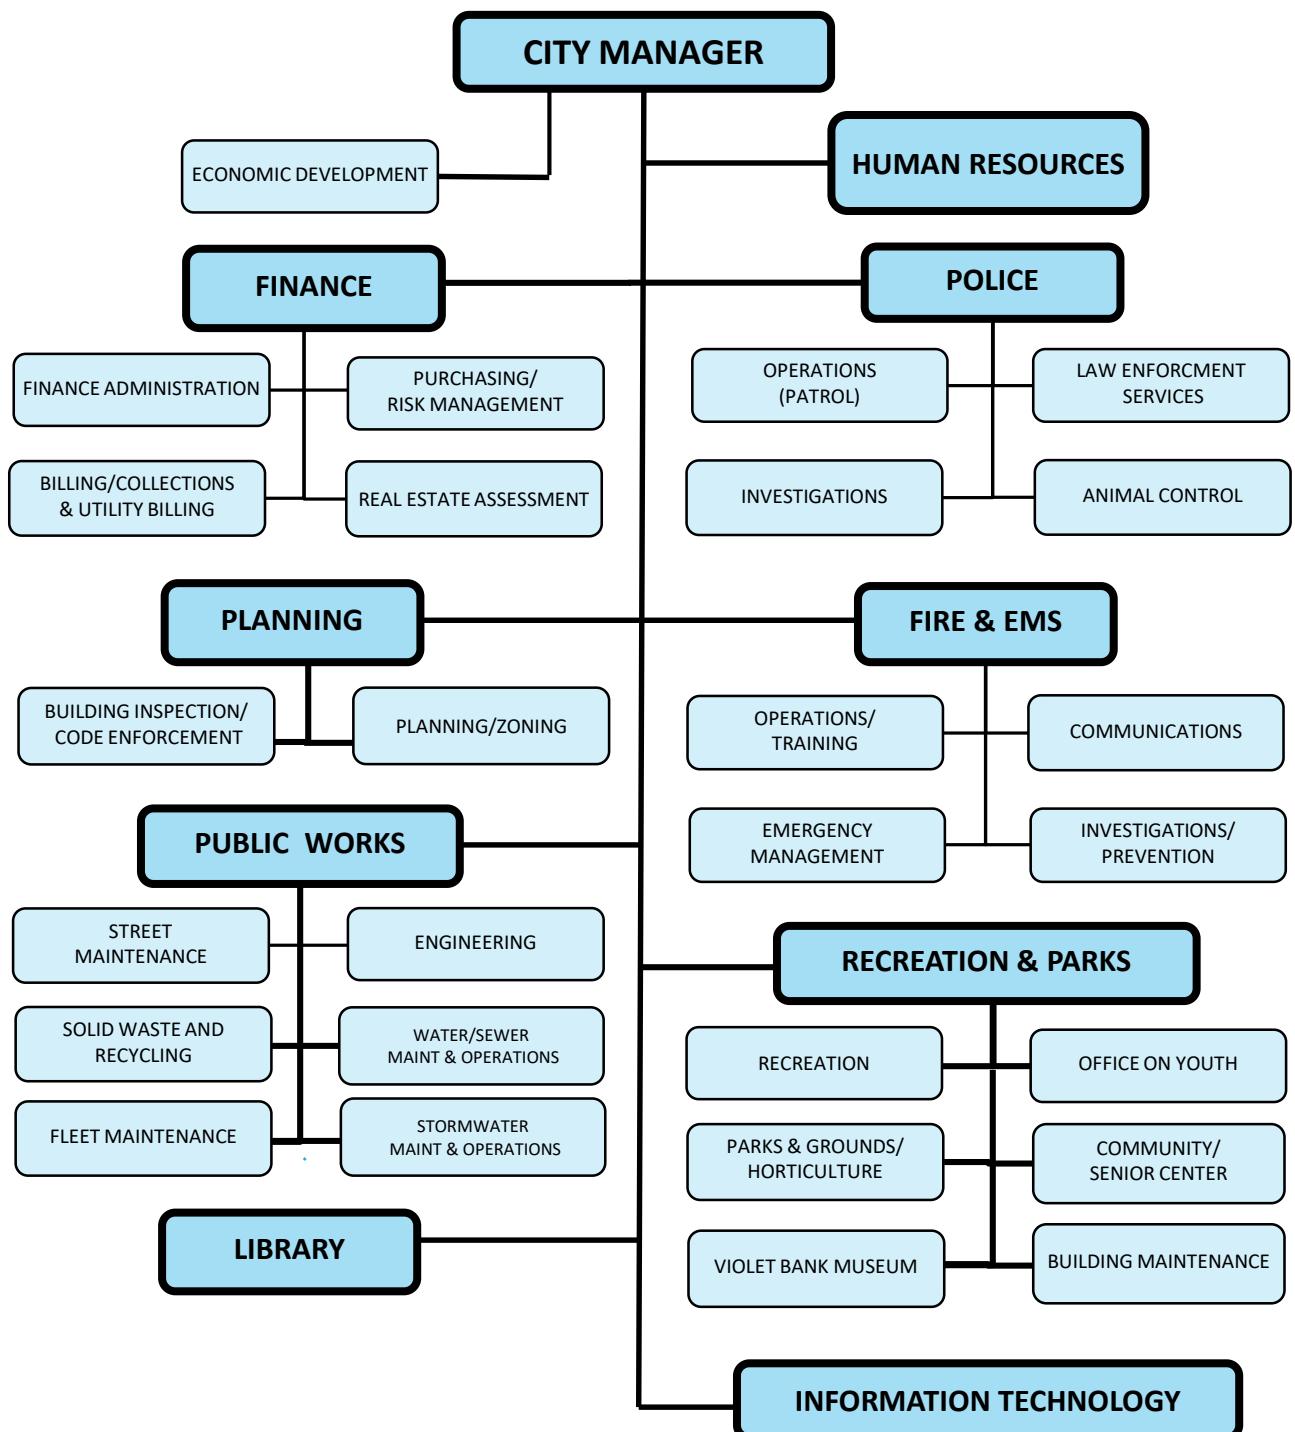

A handwritten signature in black ink, appearing to read "Douglas E. Smith".

City Council

The Colonial Heights City Council serves as the governing body that makes all policies for the administration of the City. The seven-member Council is elected at large by the voters, and the Council members elect a Mayor from their number for a two-year term. The Mayor presides over meetings of the Council and is recognized as the head of the city government for all ceremonial purposes. Councilmembers are elected to staggered, four-year terms and a portion of the Council is elected every two years.

The City Council is charged, collectively, with providing for the organization, conduct, and operation of all departments, boards, commissions, offices, and agencies of the City through the effective development and communication of desired policies.

By a majority vote of all its members, the City Council directly appoints three city officials: City Manager, City Clerk, and City Attorney. The Council approves the Annual Budget and all appropriations for the City; including the number, titles, and compensation of all officers and employees of the City.

In accordance with the City Charter as approved by the voters, members of the City Council receive some compensation for their service.

Board of Elections

Electoral Board and Registrar

The **Electoral Board** is a three-member body appointed by a majority of the Circuit Court judges, upon recommendation of party chairs. The Electoral Board is responsible for ensuring uniformity, fairness, accuracy and purity in all elections within the city. The majority of the Board (two members) must represent the political party receiving the highest number of votes in the last preceding gubernatorial election; the remaining member represents the party with the second highest votes in said election. The Board promotes the proper administration of election laws as well as campaign finance disclosure compliance.

The **Registrar** is a sworn public official appointed by the Electoral Board and is responsible for voter registration and the duties associated with organizing and conducting all city elections. The Registrar is formally charged with responsibilities for compliance with the directives of the Electoral Board, the State Board of Elections, the Commonwealth of Virginia Election Code, and the City Council.

The Registrar's Office is responsible for all day-to-day operations regarding elections administration, including but not limited to voter registration, absentee voting, and administration of polling places during elections. Voter registration and electoral records are maintained by this office on a daily basis; and candidates for all local elections file and are processed through the Registrar's Office.

ADMINISTRATION

Circuit Court Clerk

The Colonial Heights Circuit Court Clerk is an elected city official responsible for the overall administration of the Colonial Heights Circuit Court. The Clerk is specifically charged with more than 800 statutory responsibilities; many of which extend beyond judicial-related business to non-judicial and fiscal activities.

As it relates to criminal cases, the Clerk's Office provides the Circuit Court general administrative support including recordation of all proceedings, administration of case records, and coordination of case scheduling and other activities with prosecutors and law enforcement. The Clerk's Office also provides overall judicial support by managing juries, maintaining and disposing of evidence, issuing arrest and other legal documents, collecting fines, and serving as repository for the Court's records.

On the non-judicial side, the Circuit Clerk serves as the probate judge in admitting or denying wills to probate and in qualifying executors, administrators, guardians and /or conservators.

The Clerk also serves as the City's Register of Deeds; and is responsible for recording all deeds, deeds of trust, powers of attorney, and real estate liens and releases. Other transactions and recordings processed by the Clerk's Office include judgments, financing statements, marriage licenses, concealed handgun permits and a variety of appointments including ministers, notaries, local Commission and Board members and law enforcement officers.

Commonwealth's Attorney

The City of Colonial Heights Commonwealth's Attorney and staff includes 5 attorneys to prosecute state and local crimes and offenses. Prosecution includes felonies, misdemeanors and selected traffic offenses. The state provides staffing only for the felony caseload, and the office is not required to handle misdemeanor trials. Nonetheless, many misdemeanor cases are prosecuted for the good of the community.

The Office of the Commonwealth's Attorney (OCA) prosecutes all felonies, appeals of misdemeanors and juvenile violations in circuit court, and misdemeanor, traffic and serious juvenile delinquency matters in other courts. The OCA is also responsible for having witness subpoenas issued. The OCA prepares indictments for the grand jury, prosecutes probation violations, and reviews police body camera video to prepare for cases.

In addition to answering citizen questions about criminal cases and providing guidance to police officers when needed during the course of investigations, the OCA also provides police training on criminal law, obtains criminal and driving records, issues subpoenas for documents, interviews witnesses and conducts legal research. The OCA also files Show Cause actions to collect restitution for crime victims and files civil asset forfeiture actions that bring additional funds to the police and OCA. By agreement with the City Attorney, the OCA also prosecutes violations of local Colonial Heights ordinances.

Sheriff

The City of Colonial Heights Sheriff is a Constitutional Officer of the Commonwealth, elected to office every four years. Some duties of the Sheriff include; providing courthouse and courtroom security; the service of civil process and the custody, control and transportation of prisoners or inmates entrusted to the Sheriff's custody by the courts.

The Sheriff and his deputies are sworn law enforcement officers, empowered by the Commonwealth with the authority to enforce state traffic code and to effect criminal arrests. Deputy Sheriffs routinely provide enforcement assistance to our City's Police Department by arresting/executing outstanding warrants within the courthouse, by transporting persons arrested on the street by our Police Department and by providing additional personnel on the street during major incidents, inclement weather or whenever the Sheriff's aid would potentially expedite a successful resolution.

Our Sheriff's Office is a fully accredited office, through the Virginia Law Enforcement Professional Standards Commission (VLEPSC). Each year the Sheriff partners with our City's Police Officers, Fire Fighters, School Board and Community Leaders to provide public safety education programs and events like; Project Life Saver, Child Safety Seat Inspections, Drug Turn-In, and Senior Citizen Education Classes on 'Avoiding Scams' and 'Identity Theft'. Other proud projects include; Christmas "Bikes for Kids" and delivering Thanksgiving Dinner Gift Baskets to deserving families within our City.

Funding in support of the Sheriff's Office operations is derived from a variety of resources to include; the City's General Fund, the State Compensation Board, Court Fees, Sheriff's Fees, Grant Funds, and Donations.

PUBLIC SAFETY

Police and Animal Control

The Colonial Heights Police Department strives to provide a safe environment for all citizens by enforcing all laws fairly and impartially, maintaining a highly visible police presence throughout the community, and deterring criminal activity. The department achieved initial accreditation through the Virginia Law Enforcement Professional Standards Commission in 2013. Since then, the Agency has maintained accredited status in reassessments that were conducted by VLEPSC in 2017 and again in 2021.

The Department is currently comprised of three divisions and has an authorized strength of 52 sworn police officers and five civilian support staff.

The **Law Enforcement Services Division** is responsible for training; maintenance and purchasing of equipment; management of the Property and Evidence Room; handling of social media and media relations; and overseeing accreditation and crime prevention. Additionally, the division conducts inspections, manages grants, and maintains and controls all departmental records and special projects, to include the body-worn camera and drone programs. The Law Enforcement Services Division encompasses a services sergeant, an accreditation and crime prevention officer, Records personnel, a FOIA specialist and six School Resource Officers. Throughout the year, the division holds numerous community events such as National Night Out, drug take-backs, and other events that help to keep the community informed and in touch with their police department.

The **Uniform Patrol Division** is the most recognizable and easily the largest division in the agency. This division is comprised of 32 sworn men and women who are divided among four squads. Each squad consists of a lieutenant, sergeant, and patrol officers. Squad personnel provide police protection 24/7, working 12-hour shifts.

Uniform Patrol officers provide a multitude of services to our community. In addition to responding to calls for service, they regularly enforce state and local criminal and traffic laws, conduct in-depth investigations, process evidence, testify in court, proactively identify and address quality-of-life issues, and provide general guidance for citizen inquiries.

The department has a strong belief in building partnerships with our community, other city departments, business leaders, civic organizations, and other criminal justice agencies. These relationships are critical in order for the department to provide the most professional and transparent police service possible.

The **Investigations Division** of the Colonial Heights Police Department is comprised of one detective sergeant, four general detectives, and one detective assigned to the Central Virginia Regional Narcotics Task Force. Detectives have the primary responsibility in the investigation of serious or serial crimes. Crimes commonly assigned to the detectives include rape, robbery, homicide, burglary, sex offenses, missing persons and fraud-related incidents. These general detectives also assist in quality of life investigations and assist in drug investigations. Task Force officers are assigned to the Virginia State Police Central Virginia Regional Narcotics Task Force, with a primary focus on investigations of middle- and upper-level drug dealers.

Each officer is trained in basic investigation, interviewing, interrogation, forensics and photography. Specialty courses such as computer fraud, internet crimes, child sexual abuse, forensic science courses, narcotics investigations and social media have been completed by most of the officers. Officers are

regularly enrolled in advanced training to expand their knowledge and skills necessary to carry out these complex investigations.

The Investigations Division routinely works with local, state and federal agencies while investigating crimes occurring in Colonial Heights and the region. Agencies such as the Federal Bureau of Investigations; U.S. Secret Service; Alcohol, Tobacco and Firearms; Virginia Lottery and the Virginia State Police provide or receive assistance from the Investigations Division annually.

The **Animal Control Division** of the Colonial Heights Police Department is comprised of two full time sworn Animal Control Officers (ACO) one full time Animal Control Aide, and two part time Animal Control Aides. They are responsible for all investigations related to domestic animals and companion animals. They house and care for all animals housed at the animal shelter. They are responsible for cleaning, feeding and providing medical care for the animals. They work with organizations to locate new homes for the animals that are currently at the shelter. This requires a complete check of the conditions at the perspective owner's residence and ability to care for the animal.

Communications

The Colonial Heights Emergency Communications Center (CHECC) provides 24-hour answering of all emergency and non-emergency Police, Fire and Medical calls. These calls include 9-1-1 and non-emergency telephone service for the hearing impaired. The ECC continues to use state-of-the-art technology to provide fast and effective emergency communication services. Using sophisticated radio communication, mobile computers and a Computer Aided Dispatch (CAD) System, the ECC is able to process requests and expedite the dispatch of police and fire personnel in an emergency. The center continues to receive Text to 911 and continues to improve on this new technology. This service enhances access for individuals that have difficulty speaking and hearing along with allowing access when a caller is unable to make a call due to their personal safety. The Quality Improvement/Quality Assurance program that is in place for Emergency Medical Dispatching (EMD) that was implemented in 2012 continues to raise the bar of service that the center provides.

The Emergency Communications Center is the hub of the city and acts as the central base of incoming 9-1-1 emergency calls (wireline and wireless) from the public, as well as outgoing communications to personnel in the field. The facility is the true “nerve center,” incorporating a cooperative interaction of cutting-edge technology and a highly trained work force. This combination ensures that our citizens can expect an efficient and professional response to any emergency-related contingency.

Public Works

The City of Colonial Heights Department of Public Works provides a wide range of essential services relating to city facilities and infrastructure for: capital improvements, site development, fleet maintenance, stormwater management, street maintenance, water distribution, wastewater collection, solid waste management and recycling.

The Department is organizationally structured into four operating divisions: Administration, Engineering, Streets/Utility Maintenance, and Fleet Maintenance. Services provided by the department are funded by general fund revenue; permit fees; stormwater, water and wastewater fees; solid waste and recycling fees; state and/or federal financial assistance for street construction and maintenance.

Facility and infrastructure assets within the department's responsibility center include approximately 89 miles of streets, 101 miles of sanitary sewer mains, 115 miles of water mains, 26 traffic signals, 3,000 traffic signs and maintenance of 255 City-owned vehicles.

COMMUNITY DEVELOPMENT

Planning and Community Development

The department currently consists of three operating divisions (Planning/Zoning, Code Enforcement, and Building Inspections). The City of Colonial Heights Department of Planning and Community Development is guided by three goals:

- #1 To guide development, redevelopment, and growth of the City through the application of professional planning principles and zoning practices;
- #2 To ensure the health and safety of the citizens of the city through enforcement of codes and regulations related to construction of residential and commercial developments and enforcement of property maintenance and other ordinances; and,
- #3 To maintain a quality of service to the citizens and businesses of Colonial Heights by promptly and efficiently responding to questions and concerns in a courteous and professional manner.

The Planning/Zoning Division oversees the City's Home Repair Program that is funded through the Community Development Block Grant (CDBG) and implemented through the subrecipient awardee known as "Project: HOMES" with close coordination and supervision by planning staff. The Planning/Zoning Division processes legislative applications: (i) requesting changes in zoning districts ("rezoning"), (ii) proposing uses requiring of higher intensity and need of additional scrutiny ("special exceptions"), and (iii) proposing uses that need special consideration by City Council ("special use permits"). The Planning/Zoning Division also processes zoning permits and preliminary administrative applications that propose to develop property ("plans of development") and to subdivide property ("subdivision plat").

The Code Enforcement Division has two (2) two part-time code enforcement inspectors that work 28 hours a week each, each operating within a separate zone in the City. The division continues proactive code enforcement, driving by each home or business at least twice a month, while responding to code enforcement complaints and re-inspections for compliance. In FY 22-23, inspection services returned to onsite visits and the processes to provide notices of violation returned to standard practices.

The Building Inspections Division continues to ensure residential and commercial construction complies with the Virginia Uniform Statewide Building Code (USBC). Building Inspections staff takes pride in providing the best possible customer service and continues to be respected by contractors and residents for their knowledge and integrity. Inspection services returned to being conducted onsite in FY 22-23.

Permit applications can still be submitted online; however, foot traffic in office remains high for the submission of permits and payments.

HUMAN SERVICES

Office on Youth & Human Services

The City of Colonial Heights Office on Youth & Human Services serves the general citizenry by working to develop and improve the community assets that assist families in raising children who are responsible, law abiding and self-reliant.

The Office on Youth, guided by the City Council-appointed Youth Services Commission, focuses on partnering with the schools, civic organizations, 12th District Court Services Unit, social services, health and mental health, and other city departments to create opportunities for enhancing services for our youth and families. The Virginia Juvenile Community Crime Control Act diversion programs, funded in part by the Department of Juvenile Justice, offer an opportunity for first-time offenders to receive consequences with education.

The Office on Youth is also active in providing leadership for boards, coalitions, teams and task forces that address youth issues to increase/improve community resources. The CADRE Coalition, our local community substance-abuse prevention coalition, works with the youth to provide leadership and recreational alternatives.

The Kid's Achieving Progress Afterschool Program (KAP) serves the City's youth in grades 4th-8th with afterschool tutoring and skill building.

Economic Development/Economic Development Authority

The City of Colonial Heights Economic Development Division is responsible for implementing the overall economic development mission of the City. A major component of this includes working with new and existing businesses to create new investments and jobs in the City of Colonial Heights. The office also provides staff support to the Economic Development Authority (EDA) and works with various regional and state agencies to market and promote the City of Colonial Heights.

The City of Colonial Heights Economic Development Authority, formerly the Industrial Development Authority, was established in 1977 through Ord. No 77-51 and Adopted 11-21-1977, to promote balanced economic growth by encouraging new capital investment and job creation. The primary duties of the EDA are to provide economic development related policy consultation, and to review the issuance of bond financing. The EDA approved an incentive up to \$1,600,000 for the development of 401 Temple Avenue in December 2020.

Financial details for the EDA are presented immediately following the General Fund.

SOURCES OF REVENUE

The budget is an estimate of the revenues that will be available to pay for estimated expenditures. General revenues are used to account for all resources except those required to be accounted for separately. Restricted revenues account for the proceeds of special sources of revenue that are restricted to expenditures for specific purposes such as food service, debt costs and grant funded programs.

The School Operating Fund revenue for FY 2024 included in this financial plan, totals **\$54,292,287**, an increase of **\$1,949,720** or **3.72%** over the approved operating budget for FY 2023. The primary sources of revenue are outlined in the following paragraphs:

Local - Colonial Heights Public Schools derives **51.5%** of its operating fund revenue from the City government. The City appropriates 50.73% of the revenue generated from sales tax, real estate taxes, personal property taxes, BPOL taxes and food and lodging taxes. This percentage reflects the City government's commitment to education in view of increasing demands in other public service sectors and highlights the need to become more efficient. Total revenue from the City is anticipated to be **\$27,982,650**, an increase of **\$1,987,853** over the FY 2023 approved budget of **\$25,994,797** or **90.9%**. (Includes City Basic and Fund Balance Carryover).

State - State revenue (including state sales tax) is projected to contribute **41.5%** of the funds for FY 2024. The General Assembly establishes, for each school division, a per pupil amount representing Basic Operations Cost. The projection is based on the number of instructional positions required by the Standards of Quality for Virginia, support costs (non-instructional positions) and other prevailing costs attributable to administration, instructional support, transportation, maintenance and fringe benefits. State aid is then equalized using the composite index or ability to pay formula for each locality.

The General Assembly also provides support for the Standards of Quality in areas of special education, vocational education, gifted education, textbooks, and remedial education. Revenue is distributed to localities in the form of categorical aid for specific programs such as Homebound Instruction. Total State revenue for FY 2024 is expected to decrease **\$545,870** or **2.36%** to **\$22,537,630**.

A portion of the state sales tax is returned to the City for education. Sales tax revenue for FY2024, included above, is projected to be **\$3,647,390** a decrease of **\$75,610 or 2.0%**.

Federal - Federal revenue (**6.3%** of total revenue) is derived from various grants such as Title I, Part A, Title II, Part A and Flow Through grants for special education and preschool. Revenue is also obtained to operate the National School Lunch and Breakfast programs.

Other - Other revenue (**0.70%** of total revenue) is obtained predominately from amounts charged for lunch and breakfast. Miscellaneous income includes a return from the insurance company in the form of a dividend and amounts received as reimbursement from school activity funds for our payments to staff for working at athletic events.

Approach to expenditure budgeting:

A line-item budget has been developed for analysis, authorization and control. Functions/objects are used to organize expenditures around the major functional categories or purposes of the district's activities. The major categories are instruction, administration/attendance/health, transportation, maintenance and operations, and food service. These functions are further divided into specific subfunctions, such as school level instruction, programs for physically handicapped, guidance services, school administration and fiscal services. Specific line-item expenditures are collected and presented under their related function. This provides budget information in two important dimensions--- the purpose of the expenditure (function or subfunction) and the specific items purchased (object).
