## MESSAGE FROM THE CHIEF

---

As many of you may already know, I retired from the Colonial Heights Police Department in July of 2021, after serving the City of Colonial Heights as a law enforcement officer in various capacities for nearly a quarter of a century. A year later, in July 2022, I returned as your new Chief of Police, a position for which I am extremely honored and humbled to have been selected. It is with great pride, therefore, that I present to you the Colonial Heights Police Department's **2022 Annual Report**. Contained in this report are documentations of criminal- and traffic-related statistics, as well as a myriad of department and community activities. Even as we transitioned from one administration to another, the men and women of this agency never once strayed from their mission of working to ensure the safety and security of our community.

I would like to begin by recognizing and commending all of the men and women in our agency who go above and beyond each day to serve our citizens. From our sworn officers to our animal control and civilian staff, everyone worked together, and I couldn't be prouder of this agency. You should also know that despite some of the negativity expressed across the country, our officers are deeply committed to their profession and take pride in the job that they have chosen to do. This is due in part to the fact that it is and will always be the goal of this agency to hire the best and brightest to serve our community. We have high expectations of our officers, in that we proactively police our community and aggressively investigate crime using an impartial, unbiased and transparent culture. In return, we have an amazing community, backed by a supportive City Council that works to ensure competitive compensation and leading-edge equipment.

In addition to our amazing sworn and civilian staff, we also depend heavily on our Auxiliary and Sentinel units. These two groups of volunteers take care of tasks such as traffic control, assistance during natural disasters, behavioral health emergencies, security assignments and many other situations, all of which allows us to better utilize sworn staff. Some of our Auxiliary members are retired police officers from this department, and we are so grateful that they have remained on in this capacity. We truly could not do our jobs without them.

While people are the backbone of any department, I must say that like most police agencies, we are becoming more and more reliant on advanced technology to do our jobs. A few of these initiatives include programs such as our unmanned aerial vehicle operations. These devices are utilized by our Federal Aviation Administration licensed operators to document serious traffic crashes, search for missing persons, locate wanted subjects and monitor large crowds. These devices have proven to be very beneficial for documentation and have been critical at gathering of real-time intelligence. Additionally, this year we successfully upgraded our Taser less-than-lethal weapon systems to the most up-to-date platform available. The deployment of these new devices, the transitional training, coupled with our body camera program, ensures our officers have the tools and skills available to best meet the challenges they may encounter as they go about their daily assignments.

For those many citizens who have participated in *Celebrate Safe Communities* for the past decade—including during the two-year COVID-19 pandemic—we offer our sincere appreciation. You may be excited to hear that we are now moving back to our initial community-oriented policing program and rejoining *National Night Out* on August 1, 2023. This “meet and greet” event not only encourages friends and neighbors to connect, but also allows your officers to interact face-to-face with those citizens who may otherwise never have that opportunity. Moving the event to August will provide more daylight and reduce the worry of our hosts who have children with homework assignments and sporting activities. We look forward to this occasion every year and are excited for the opportunity to introduce ourselves.

There are so many exciting things that we anticipate in our future. You can follow our progress by visiting our website and following us on Facebook. Nothing that we do would be possible without the constant support of our City Manager and City Council members. Above all else we are also so grateful to all of our citizens who show their appreciation for the sacrifices that are made every day by our officers and staff. I am so very honored and proud to be a part of this team that is the Colonial Heights Police Department.

Respectfully,

*William H. Anspach*

Chief of Police

# Department History

In September 1926, Colonial Heights was established as a town, having originally been a part of Chesterfield County and the City of Petersburg.

The first Colonial Heights law enforcement officer was a Town Sergeant who relied upon the assistance of the Chesterfield County and City of Petersburg Police Departments.

The first full-time police officer was Officer Brown, who came to Colonial Heights from the Chesterfield County Police Department. Then Mayor Shepard served as the town's first Police Chief and Magistrate. The first police department office was established in 1931 at what is now the school board building.

During the 1930's and 1940's, two police officers were on duty to protect the town. One officer was assigned to the day shift while the second officer worked at night. At times when Old Town Creek threatened to flood U.S. Routes 1/301, the officers divided the town, one patrolling north, and the second patrolling south of the creek.

In 1948, Colonial Heights changed from a Town status to a Second Class City, having a population under 5,000 residents.

In 1956, the police department relocated to the new City Hall building located on James Avenue. In the 1970's, the police department moved to the basement of the courthouse, located on Temple Avenue. In 2001, the department was relocated to the newly established Public Safety Building in what was once City Hall.

First established as a town and now a First Class City, Colonial Heights has been served by eight police chiefs. Today, the Colonial Heights Police Department has a sworn strength of 52 men and women.

# Meet Our Team: Chief of Police

Chief William H. Anspach's service in the Commonwealth of Virginia began as a police officer with the City of Petersburg in 1995. In April of 1998, he was blessed to be selected as a certified police officer with his hometown of the City of Colonial Heights.

In July of 2021, Chief Anspach retired from law enforcement, after accepting a position in the private sector. In July of 2022, he was selected to lead the Colonial Heights Police Department as the Chief of Police.

Chief Anspach has served in all roles of our agency, from Patrol Officer, Patrol Sergeant, Patrol Lieutenant, Lieutenant/Investigations Division Commander, Internal Affairs/Accreditation Manager, Captain/Patrol Division Commander, Captain/Law Enforcement Services Division Commander and Major/Deputy Chief of Police.

Throughout his career, numerous accolades have been bestowed on Chief Anspach, to include many Officer of the Month awards, Officer of the Year, numerous M.A.D.D. (Mothers Against Drunk Driving) awards, not to mention his graduation from the National Command College. He is also a proud graduate of Class 274 of the FBI National Academy. Chief Anspach earned these accolades and achievements not only as the result of his work ethic, but also for his ideas and initiative to improve the department and better serve our community.

In addition to many achievements, he has worked closely with our personnel to provide guidance and mentorship to many. He continues to be the driving force with our state accreditation, which began in 2012, and continuing reaccreditation achievements, all in the name of enhancing our image and setting high standards and expectations for our officers. The many roles that Chief Anspach has had within the agency has allowed him to form great relationships with our local media, allowing greater transparency both within and outside of our department. Efficiency, effectiveness and improvement have always been the focus of Chief Anspach's tenure while working in the Colonial Heights Police Department

Colonel William H. Anspach

## Meet Our Team: Law Enforcement Services

Major Robert L Ruxer, III, commands the Law Enforcement Service Division. The services division is responsible for training; maintenance and purchasing of equipment; management of the Property and Evidence Room; handling of social media and media relations; and overseeing accreditation and crime prevention. Major Ruxer is a 2020 graduate of the National Criminal Justice Command College and a 2022 graduate of the University of Virginia, where he obtained a Masters of Public Safety.

Additionally, the division conducts inspections, manages grants, and maintains and controls all departmental records and special projects, to include the body camera and drone programs. The Law Enforcement Services Division encompasses a Services Sergeant, an Accreditation and Crime Prevention officer, Records personnel, a Freedom of information Act (FOIA) specialist and six School Resource Officers. Throughout the year, the division holds numerous community events such as “National Night Out”, drug take-backs, and other events that help to keep the community informed and in touch with their police department.

Major Robert L. Ruxer

## Meet Our Team: Operations Division

The Uniform Patrol Division is the most recognizable and easily the largest division in the agency and is the responsibility of Captain Thad Johnson, who is the Operations Division Commander. The division is comprised of 34 sworn men and women, who are divided amongst four squads. Each squad consists of a lieutenant, sergeant, and patrol officers. Squad personnel provide police protection 24/7, working 12-hour shifts. Uniform Patrol officers provide a multitude of services to our community.

In addition to responding to calls for service, they regularly enforce state and local criminal and traffic laws, conduct in-depth investigations, process evidence, testify in court, proactively identify and address quality-of-life issues, and provide general guidance for citizen inquiries. The department has a strong belief in building partnerships with our community, other city departments, business leaders, civic organizations, and other criminal justice agencies. These relationships are critical in order for the department to provide the most professional and transparent police service possible.

Captain Thad E. Johnson

## Meet Our Team: Investigations Division

The Investigations Division of the Colonial Heights Police Department is guided by Captain Mike Foster and is comprised of one sergeant, three general detectives, and one narcotics task force detective. Detectives have the primary responsibility in the investigation of serious or serial crimes. Crimes commonly assigned to the detectives include rape, robbery, homicide, burglary, sex offenses, missing persons and fraud-related incidents. Task Force officers are assigned to the Virginia State Police Central Virginia Regional Narcotics Task Force, with a primary focus on investigations of middle- and upper-level drug dealers in the Tri-Cities and Chesterfield and Dinwiddie Counties.

Each officer is trained in basic investigation, interviewing, interrogation, forensics and photography. Specialty courses such as computer fraud, internet crimes, child sexual abuse, forensic science courses, narcotics investigations and social media have been completed by most of the officers. Officers are regularly enrolled in advanced training to expand their knowledge and skills necessary to carry out these complex investigations.

The Investigations Division routinely works with local, state and federal agencies while investigating crimes occurring in Colonial Heights and the region. Agencies such as the Federal Bureau of Investigation; U.S. Secret Service; Alcohol, Tobacco and Firearms; Virginia Lottery and the Virginia State Police provide or receive assistance from the Investigations Division annually.

# Meet Our Team: Accreditation & Crime Prevention

Career Officer H. Scott Whirley

Career Officer Scott Whirley is responsible for maintaining the agency's accreditation through the Virginia Law Enforcement Professional Standards Commission. Accreditation is a process which ensures that a law enforcement agency's policies and procedures meet prescribed standards.

According to VLEPSC:

*"Accreditation increases the law enforcement agency's ability to prevent and control crime through more effective and efficient delivery of law enforcement services to the community it serves. Accreditation enhances community understanding of the law enforcement agency and its role in the community as well as its goals and objectives. Citizen confidence in the policies and practices of the agency is increased. Accreditation, in conjunction with the philosophy of community policing, commits the agency to a broad range of programs (such as crime prevention) that directly benefit the public. Accreditation creates a forum in which police and citizens work together to control and prevent crime. This partnership will help citizens to understand the challenges that confront law enforcement. Law enforcement will, in turn, receive clear direction from the community about its expectations. Thus, a common set of goals and objectives will be arrived at and implemented."*

In 2013, the Colonial Heights Police Department was the first agency in the Tri-cities to receive accreditation. Since that time, the agency has been re-assessed multiple times, once in 2017 and again in 2021. Each time, the agency maintained accredited status by showing compliance on all standards. The agency looks forward to our next scheduled assessment in early 2025.

## Traffic Accidents

Accidents that are “reportable” are generally ones that occur on the roadway and involve damage over \$1500, injury, or a vehicle is towed away.

Non-reportable are minor in nature and generally involve an exchange of driver contact and insurance information.

# Behavioral Health Emergency Calls

Over the past several years, agencies across the country have seen a significant increase in calls for mental health referred to as “behavioral health emergencies”. We ourselves are experiencing the same increase in calls and related demands on our agency. In 2012, we responded to 61 mental health calls. This required the equivalent of over five days of an officer’s time, which includes time on scene, transportation and wait times for mental health evaluations at medical facilities. In 2022, CHPD responded to 316 mental health calls, which required the equivalent of 102 days of man hours to complete.

## 2022 Trailing K-9 Activities

The year 2022 was a busy one for K-9 Lieutenant Rose and her partner, K-9 Sergeant Christopher Wulff. This year, Lt. Rose and Sergeant Wulff responded to numerous calls for K-9-related services. These calls were not only in Colonial Heights, but they also responded to several calls in our neighboring jurisdictions, to include Chesterfield County, Dinwiddie County, Prince George, Hopewell and Petersburg. The types of calls vary from attempting to locate burglary and assault suspects, to trailing missing adults and runaway children.

# 2022 Narcotics K-9 Activities

In 2022, Senior Officer Micaulay Fable and K-9 Sergeant Nero responded to calls for service in the City of Colonial Heights, as well as Chesterfield and Petersburg. They also provided assistance to the Virginia State Police. In addition to patrol work, the team was able to assist the Investigations Division with multiple search warrants, as well as traffic checkpoints for the Patrol Division

Sr. Officer Fable and Sgt. Nero complete a minimum of 16 hours of training every month and regularly train with K-9 Units in both the City of Richmond and Chesterfield County. Our agency is very grateful for the partnership with these agencies and their willingness to share this extremely valuable training.

Additionally, this year the team was able to recertify through the Virginia Work Dog Association and placed second in the “Iron Dog” Narcotics Detection Class Competition on April 30, 2022.

# 2022 Major Accident Investigations Team

Officers assigned to the Major Accident Investigation Team (M.A.I.T.) are responsible for investigating fatal and major vehicle crashes, as well as serious crashes involving police department vehicles. M.A.I.T. members also provide expertise to patrol officers regarding the investigation of less serious crashes. Many investigations conducted by the team involve the determination of speed, crash reconstruction, interviewing witnesses, collecting and preserving forensic evidence, and courtroom testimony.

## 2022 Drone Team

As expected, 2022 presented CHPD with a number of challenging incidents that have allowed us to deploy our “eye in the sky” drone technology. We launched our drones on several occasions to assist with missing persons cases and utilized its FLIR (forward looking infrared) capabilities to assist with locating a stranded swimmer after dark at Roslyn Landing Park. Our drones also proved to be highly beneficial by mapping buildings, such as the schools, for training. Drone operators mapped each school and were able to get a layout for each building to assist in training for cases of an Active Shooter event. Our program continues to grow as we add additional pilots to the team, and we look forward to another successful year in 2023.

# 2022 Community Support

Every year we receive amazing support from our community, and 2022 was no different. It's truly impossible to thank everyone, but here are a few pictures to remember the year!!!!
