## COUNCIL COLUMN

### John E. Piotrowski, Councilman

Dear Citizens of Colonial Heights,

As the days grow longer and the first signs of spring begin to emerge, I want to take a moment to welcome this new season and reflect on all that we've accomplished together in recent months. Spring brings with it a sense of renewal and optimism, and I'm excited for the opportunities and growth that lie ahead for Colonial Heights. First,

I want to express my sincere gratitude to our dedicated Utility and Public Works Departments. This past winter, our city experienced harsh conditions, but these teams worked relentlessly in bitter cold temperatures to address water line breaks, clearing snow, and ensure our streets were safe for travel. Their tireless efforts kept the infrastructure of our city functioning smoothly despite the many challenges. It is through their dedication and hard work that Colonial Heights continues to thrive, and we are truly grateful for their contributions. As we leave the winter behind, there is much to look forward to in the warmer months. One of the highlights of our spring calendar is the Fort Clifton Festival over Mother's Day weekend May 10-11, 2025. This cherished event is an opportunity for all of us to come together and celebrate the rich history, culture, and spirit of Colonial Heights. The festival offers something for everyone—exciting entertainment, delicious food, and a variety of activities for families and friends. It is always a fun and vibrant celebration, and I encourage you to mark your calendars and join us in this wonderful event. In addition to the festival, we are also gearing up for the return of the Tri-Cities Chili Peppers baseball season. There's nothing quite like the excitement of a ballgame to bring our community together, and I'm looking forward to the thrill of cheering on our local team.

Baseball games are a great way to enjoy the outdoors, spend time with loved ones, and connect with neighbors, all while supporting our local athletes. I hope to see many of you at the ballpark this season, enjoying the energy and camaraderie that make our community so special. Spring is a time of growth, renewal, and connection. As we move into this new season, let us carry forward the strength, resilience, and unity that have always defined Colonial Heights.

Together, we will continue to build a city that is not only a wonderful place to live but a thriving community where everyone is welcomed and valued. Thank you once again for all you do to make Colonial Heights a great place to call home. I am grateful for your continued support, and I look forward to seeing you at our upcoming events and enjoying all that spring has to offer.

Warm regards,  
John E. Piotrowski, Vice-Mayor

## Prohibition of Clutter

On April 11, 2023 City Council adopted amendments to Chapter 244 of the City Code that prohibits "clutter", defined as:

*Mechanical equipment, household furniture, containers, and similar items that may be detrimental to the community's well-being when they are left in public view for 30 days or more or are allowed to accumulate. Clutter includes, but is not limited to, those not designed, built, or manufactured for outdoor use or storage.*

**An accumulation of items on one's property can lead to unsafe conditions and dangerous situations. The purpose of the amendment is to protect and enhance the health, comfort and general welfare of City's residents.**

- If you receive a notice of violation for clutter, then removal of the clutter is necessary.
- DO NOT ignore the notice as violating this ordinance can result in fines, removal of the items from the property at your cost, or possibly criminal penalties.

For more information contact the Department of Planning & Community Development at (804) 520-9297.

## TRASH CAN PLACEMENT

### A few placement tips to follow... to ensure the collection of your trash & recyclables

#### 1 CLOSE THE LID & ROLL TO THE CURB

Place all items inside the cart(s) and close the lid completely. The night before your pickup, safely roll the cart(s) to the edge of the curb. Please bag and tie all trash to prevent litter.

#### 2 MAKE SURE THE CART HANDLE IS FACING YOUR HOME

Place the cart(s) at the edge of the curb with the wheels and handle facing the house and the lid opening facing the street.

#### 3 CART(S) MUST BE CLEAR OF ALL OBSTACLES

Make sure there is nothing in front of the cart(s) and at least 3 ft. of space on all sides.

Place your cart(s) carefully & leave 3 feet of space on all sides! Have your cart(s) at the curb the night before your scheduled pickup.

#### WHY DOES IT MATTER?

Most collection trucks are automated with an electronic arm that grabs and empties the cart. This efficient process streamlines collection and prevents work-related injuries.

If trash and recycling bins are stored outside a residence or business, please place bins behind or beside, and **not** in front of the building during **non-collection** days. Your bins may be at the curb for pick-up as detailed below\*.

	Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
TRASH			After 12 PM	All Day	Until 7 PM		
RECYCLING					After 12 PM	All Day	Until 7 PM

\*Please note that these collection times are subject to change during holidays indicated on the collection schedule.
