## Shooting Investigation At White Bank Park

On July 2, at approximately 8:15 pm, Colonial Heights Police Department responded to White Bank Park for a reported shooting.

Officers arrived and located a victim with multiple gunshot wounds in the area of the boat ramp.

Preliminary information indicates that a suspect wearing all dark clothing approached a male subject at the boat ramp and fired multiple rounds, striking that individual several times.

That same suspect then fled towards the parking lot where a second individual was parking a vehicle. The suspect then shot at that second individual as well, however he was not struck.

The first victim has been transported to VCU Medical Center with serious injuries.

The suspect fled the area in a dark colored SUV.
