- Approved an ordinance to limit new recreational substance retailers to industrial zoned districts and provides other required conditions.

- Pavement Preservation completed with mill and overlay of pavement on Sherwood Hills Dr., Fairmont Dr., Forestview Dr., and Swift Creek Ln., totaling 2.25 miles of rehabilitated pavement.

City's First Oktoberfest Event a Success!

The Colonial Heights Recreation & Parks Department, Tourism Office, and other City departments joined forces to present the 1st Oktoberfest event on Saturday October 25th at White Bank Park. The event included live music by The Sauerkrauts and Nashville recording artist Paul Childers, as well as, craft vendors, and yard games. German style food was provided by The Optimist Club of Colonial Heights, and additional food offerings included Barbecue, cupcakes, coffee and drinks. Of course, there was a beer garden with German style beers thanks to the Tri-City Chili Peppers and the Colonial Heights Kiwanis Club.

Over 1,500 people attended this first-time event and plans are being made to bring the event back in 2026.

Please visit the Tourism webpage at www.colonialheightsva.com for a listing of this and other City events coming in 2026.

Welcome Our New City Attorney!

COLONIAL HEIGHTS, VA – On September 9, 2025, the Colonial Heights City Council unanimously voted to appoint Andrew A. Meyer as the next City Attorney, effective October 8, 2025. Mr. Meyer succeeds former City Attorney Hugh P. “Chip” Fisher, III, who retired after 19 years of dedicated service to the City.

Mr. Meyer joins Colonial Heights from the City of Chesapeake, where he served as an Assistant City Attorney for more than four years. In his most recent role, he was lead counsel for Chesapeake’s Department of Development and Permits, Board of Zoning Appeals, and Department of Information Technology. Before joining Chesapeake, Mr. Meyer practiced law as a solo practitioner for approximately 12 years. Before that, his first position as an attorney was an Assistant Law Director for the City of Cleveland. Mr. Meyer holds a Juris Doctor from the University of Cincinnati College of Law and a Bachelor of Arts from Ohio University, where he double majored in Political Science and History.

“We are very excited to have Andrew as part of the City team,” said Mayor Greg Kochuba. “He brings vast experience and knowledge to the City Attorney’s Office.” Please join us as we welcome Mr. Meyer, his wife, and their two children to the Colonial Heights community.

Winter Holiday Fire Safety

Did you know?

Nearly half of holiday decoration fires happen because decorations are placed too close to a heat source.

It's fun to decorate for the winter holidays, but holiday decorations can increase your risk for a home fire. As you deck the halls this season, be fire smart.

- ✓ Inspect holiday lights each year before you put them up. Throw away light strands with frayed or pinched wires.
- ✓ Water your Christmas tree every day. A dry tree is dangerous because it can catch on fire easily.
- ✓ Consider using battery-operated flameless candles, which can look, smell and feel like real candles.
- ✓ If you do use lit candles, make sure they are in stable holders and place them where they cannot be knocked down easily.

Put a **FREEZE** on Winter Holiday Fires

It's fun to decorate for the winter holidays, but holiday decorations can increase your risk for a home fire. As you deck the halls this season, be fire smart.

<p>Almost half of the home decoration fires in December are started by candles.</p>	<p>Think about using battery-operated flameless candles.</p>	<p>Christmas is the peak day for candle fires.</p>
<p>Keep candles at least 12 inches away from anything that burns.</p>	<p>A dry Christmas tree can burn very hot and very fast.</p>	<p>More than 1 in every 5 Christmas tree fires were caused by a heat source too close to the tree.</p>
<p>Read manufacturer's instructions for the number of light strands to connect.</p>	<p>Make sure your tree is at least 3 feet away from heat sources like fireplaces, radiators, space heaters, candles or heat vents. Also, make sure your tree does not block exits.</p>	<p>Get rid of your tree after Christmas or when it is dry.</p>

Recreation & Parks Receives 3 Awards at VRPS State Conference

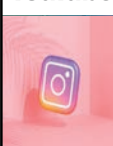

Over 400 delegates, exhibitors, speakers, and volunteers from around the state gathered in October at the 72nd Annual Conference of the Virginia Recreation and Park Society held in Roanoke, Virginia. The conference is a learning exchange and provides an opportunity for recreation and park professionals to discuss areas of common interest.

Highlighting each year's conference is a formal presentation of awards. This state-wide program honors individuals, departments and organizations throughout Virginia who have demonstrated excellence in any of several areas during the previous year. 140 applications were received vying for awards in 16 different categories. Judged by a jury of its peers, Colonial Heights Recreation & Parks received three awards in the following categories:

Snapshot Moment - Pirates in the Park

WHAT YOU NEED TO KNOW ABOUT BULKY WASTE

Household items that don't fit in your trash cart are considered bulky waste—furniture, appliances, mattresses/box springs, yard waste and limbs, or extra bags of trash.

WHEN IS BULKY WASTE COLLECTED?

SCHEDULE A PICKUP

Requests for bulky waste pickup can be made by calling or emailing CVWMA. You may also use the customer portal at CVWMA.com.

Information?

Fall time means leaf clean up. When you collect your leaves make sure to put them in the right spot. Collect your leaves at the edge of the right of way outside of the gutter. Putting leaves in the gutter pan can cause drainage issues. Leaves can block up the stormwater system causing flooding and they can create “leaf tea” which makes its way to our local water ways causing destructive algae blooms. So help preserve the Chesapeake Bay this Fall and place your leaves at the back of the curb.
